Student Success in College: Doing What Works! Christine Harrington 2015-01-01 Raise the academic bar for your students and watch their confidence and success skills increase. STUDENT SUCCESS IN COLLEGE: DOING WHAT WORKS!, SECOND EDITION provides an accessible and relevant way for students to move beyond opinions and advice about how to succeed in college by offering an integrated approach of research-backed student success practices paired with student success research studies. Students learn how to put skills for success into practice as they strive to accomplish their academic goals. With an overall theme of reading, critical thinking, and information literacy skills, the text helps students feel comfortable with the structure of research study articles, making it more likely that they will successfully use these higher level sources earlier in their academic careers. By increasing academic rigor, STUDENT SUCCESS IN COLLEGE: DOING WHAT WORKS!, SECOND EDITION builds research-based knowledge about what study skills work; teaches students how to engage with scholarly sources; provides opportunities for students to actively read, critically think, and enhance information literacy skills; and supports students to increase their self-efficacy and motivation. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Biology Anne Tindale 1998 This book offers complete coverage of the CSEC Biology syllabus. Concise, well-organised text with annotated study diagrams. Confessions of a Hater Caprice Crane 2013-08-27 High school was pretty much like this huge party I wasn't actually invited to, but I still had to show up to every day. Hailey Harper has always felt invisible. Now her dad has a new job and the family is moving to Hollywood. Just what Hailey needs: starting a new high school. As she's packing, Hailey finds a journal that belonged to her older sister, Noel, who is away at college. Called "How to be a Hater," it's full of info Hailey can really use. Has Hailey found the Bible of Coolness? Will it help her reinvent herself at her new school? Will her crush notice her? Will she and the other Invisibles dethrone the popular mean girls? After all, they deserve it. Don't they? In Confessions of a Hater, Caprice Crane's funny—and deeply felt—observations about high school, bullies, popularity, friendship, and romance will leave teens thinking . . . and talking.

Biology for CSEC@ Louis Chinnery 2009-09-17 A revised and rearranged fourth edition of our previously titled CXC Biology. Comprehensively covering the CSEC syllabus requirements, this full-colour edition contains carefully controlled language to make the text accessible for a wide ability range. Biology for CSEC includes questions throughout to test understanding in progressive steps and reinforces new knowledge and concepts through revision questions at the end of each chapter. This edition also incorporates many investigations throughout the text, almost all of which could be used for the assessment of practical skills, and a full apparatus list which takes into account the new guidelines on safety. A detailed contents list, a complete glossary and a comprehensive index are also included.
