small business owner, shape a marketable idea and craft a business model around it, plan for a launch, run a business without breaking the bank (or burning themselves out), create a growth plan that will help them handle and harness success, and pitch an idea or business plan like a pro. Responding to the fans' curiosity about past show contestants, readers will also find approximately 10 "Where Are They Now" boxes in which they learn what happened to some of the most asked-about and/or most popular guests ever to try their luck in front of the Sharks—and what they learned in the process.

Burnout for Experts Sabine Bährer-Köhler 2012-11-11 Wherever people are working, there is some type of stress—and where there is stress, there is the risk of burnout. It is widespread, the subject of numerous studies in the U.S. and abroad. It is also costly, both to individuals in the form of sick days, lost wages, and emotional exhaustion, and to the workplace in terms of the bottom line. But as we are now beginning to understand, burnout is also preventable. Burnout for Experts brings multifaceted analysis to a multilayered problem, offering comprehensive discussion of contributing factors, classic and less widely perceived markers of burnout, coping strategies, and treatment methods. International perspectives consider phase models of burnout and differentiate between burnout and related physical and mental health conditions. By focusing on specific job and life variables including workplace culture and gender aspects, contributors give professionals ample means for recognizing burnout as well as its warning signs. Chapters on prevention and intervention detail effective programs that can be implemented at the individual and organizational levels. Included in the coverage:

- History of burnout: a phenomenon.
- Personal and external factors contributing to burnout.
- Depression and burnout
- Assessment tools and methods.
- The role of communication in burnout prevention.
- Active coping and other intervention strategies.

Skillfully balancing scholarship and accessibility, Burnout for Experts is a go-to resource for health psychologists, social workers, psychiatrists, and organizational, industrial, and clinical psychologists.

Tax the Rich! Morris Pearl 2021-04-13 A powerfully persuasive and thoroughly entertaining guide to the most effective way to un-rig the economy and fix inequality, from America's wealthiest "class traitors" Most American people believe the economy is rigged against them. And they're right. So how do you "un-rig" the economy? You start with the tax code. In 2017, Republican lawmakers rewrote the entire federal tax code, deliberately and permanently rigging the economy against working people in favor of the political donor class. In Tax the Rich! Morris Pearl, the millionaire chair of the Patriotic Millionaires, and Erica Payne, the organization's founder, take readers on an insider's tour of the nation's tax code and show how the rich (and the politicians they control) structured the tax code to make themselves even richer. They explain how to un-rig the economy through the tax code to reverse America's ever-growing and dangerously destabilizing concentration of wealth and power. Conversational and punchy chapters such as "Their Money vs. Your Sweat," "Economic Jenga," and "When a Dollar Is Not Actually a Dollar," feature charts, infographics, cartoons, and sidebars. They show exactly how we should tax wealthy individuals and corporations, focusing on existing mechanisms like marginal income tax and capital gains, loopholes to eliminate, and new methods of taxation, such as a wealth tax, that could be used to achieve a fairer system. A final section debunks common tax myths, offering crucial information to push back against Fox News and opponents on the right. In the wake of the economic devastation of COVID-19, never have the arguments in this book been more timely—or more critical. And who better to pull back the curtain on all the ways that the wealthy avoid paying taxes, and deprive the state of essential resources, than the rich themselves?

Happy Money Ken Honda 2019-06-04 Ken Honda—Japan 's #1 bestselling personal development guru—teaches you how to achieve peace of mind when it comes to money with this instant national bestseller. Too often, money is a source of fear, stress, and anger, often breaking apart relationships and even ruining lives. We like to think money is just a number or a piece of paper, but it is so much more than that. Money has the ability to smile, it changes when it is given with a certain feeling, and the energy with which it imbues us impacts not only ourselves, but others as well. Although Ken Honda is often called a "money guru," his real job over the past decade has been to help others discover the tools they already possess to heal their own lives and relationships with money. Learn how to treat money as a welcome guest, allowing it to come and go with respect and without resentment; understand and improve your money EQ; unpack the myth of scarcity; and embrace the process of giving money, not just receiving it. This book isn 't to fix you, because as Ken Honda says, you 're already okay!

The Millionaire Fastlane MJ DeMarco 2011-01-04 10TH ANNIVERSARY EDITION Is the financial plan of mediocrity -- a dream-stealing, soul-sucking dogma known as "The Slowlane" your plan for creating wealth? You know how it goes; it sounds a lil something like this: "Go to school, get a good job, save 10% of your paycheck, buy a used car, cancel the movie channels, quit drinking expensive Starbucks mocha lattes, save and penny-pinch your life away, trust your life-savings to the stock market, and one day, when you are oh, say, 65 years old, you can retire rich." The mainstream financial gurus have sold you blindly down the river to a great financial gamble: You've been hoodwinked to believe that wealth can be created by recklessly trusting in the uncontrollable and unpredictable markets: the housing market, the stock market, and the job market. This impotent financial gamble dubiously promises wealth in a wheelchair -- sacrifice your adult life for a financial plan that reaps dividends in the twilight of life. Accept the Slowlane as your blueprint for wealth and your financial future will blow carelessly asunder on a sailboat of HOPE: HOPE you can find a job and keep it, HOPE the stock market doesn't tank, HOPE the economy rebounds, HOPE, HOPE, and HOPE. Do you really want HOPE to be the centerpiece for your family's financial plan? Drive the Slowlane road and you will find your life deteriorate into a miserable exhibition about what you cannot do, versus what you can. For those who don't want a lifetime subscription to "settle-for-less" and a slight chance of elderly riches, there is an alternative; an expressway to extraordinary wealth that can burn a trail to financial independence faster than any road out there. Why jobs, 401(k)s, mutual funds, and 40-years of mindless frugality will never make you rich young. Why most entrepreneurs fail and how to immediately put the odds in your favor. The real law of wealth: Leverage this and wealth has no choice but to be magnetized to you. The leading cause of poorness: Change this and you change everything. How the rich really get rich - and no, it has nothing to do with a paycheck or a 401K match. Why the guru's grand deity - compound interest - is an impotent wealth accelerator. Why the guru myth of "do what you love" will most likely keep you poor, not rich. And 250+ more poverty busting distinctions... Demand the Fastlane, an alternative road-to-wealth; one that actually ignites dreams and creates millionaires young, not old. Change lanes and find your explosive wealth accelerator. Hit the Fastlane, crack the code to wealth, and find out how to live rich for a lifetime.

Financial Freedom Grant Sabatier 2020-04-07 The International Bestseller "This book blew my mind. More importantly, it made financial independence seem achievable. I read Financial Freedom three times, cover-to-cover." –Lifemaker Money is unlimited. Time is not. Become financially independent as fast as possible. In 2010, 24-year old Grant Sabatier woke up to find he had \$2.26 in his bank account. Five years later, he had a net worth of over \$1.25 million, and CNBC began calling him "the Millennial Millionaire." By age 30, he had reached financial independence. Along the way he uncovered that most of the accepted wisdom about money, work, and retirement is either incorrect, incomplete, or so old-school it's obsolete. Financial Freedom is a step-by-step path to make more money in less time, so you have more time for the things you love. It challenges the accepted narrative of spending decades working a traditional 9 to 5 job, pinching pennies, and finally earning the right to retirement at age 65, and instead offers readers an alternative: forget everything you've ever learned about money so that you can actually live the life you want. Sabatier offers surprising, counter-intuitive advice on topics such as how to: * Create profitable side hustles that you can turn into passive income streams or full-time businesses * Save money without giving up what makes you happy * Negotiate more out of your employer than you thought possible * Travel the world for less * Live for free--or better yet, make money on your living situation * Create a simple, money-making portfolio that only needs minor adjustments * Think creatively--there are so many ways to make money, but we don't see them. But most importantly, Sabatier highlights that, while one's ability to make money is limitless, one's time is not. There's also a limit to how much you can save, but not to how much money you can make. No one should spend precious years working at a job they dislike or worrying about how to make ends meet. Perhaps the biggest surprise: You need less money to "retire" at age 30 than you do at age 65. Financial Freedom is not merely a laundry list of advice to follow to get rich quick--it's a practical roadmap to living life on one's own terms, as soon as possible.

Get Rich Click! Marc Ostrofsky 2013-01-08 A mainstream release of a previously self-published best-seller, written by a successful internet traffic developer best known for his record-breaking sale of the Business.com domain name, shares a wealth of insights, tips and strategies for using online resources to build wealth rapidly.

The Automatic Millionaire: Canadian Edition David Bach 2009-05-29 Internationally bestselling financial advisor David Bach's Automatic Millionaire promotes a revolutionary system for making even the most undisciplined money managers rich. The Automatic Millionaire shows readers how to change their financial practices and even their lives, the simple and automatic way. The book begins with a powerful story about an average Canadian couple – he's a low-level manager, she's a beautician – whose joint income never exceeds \$55,000 a year, yet who somehow manage to own two homes debt-free, put two kids through college, and retire at fifty-five with more than \$1 million in savings. The incredible message Bach delivers is that the key to getting rich is “automating” the way to wealth by “paying yourself first,” using automatic funded retirement accounts and money market accounts to secure the future and pay for the present. A concise guide that's a fixture on bestseller lists, The Automatic Millionaire introduces readers to a system that is powerful and simple – an automatically effective, life-changing system that delivers. Do it once, the rest is automatic.

The Millionaire Next Door Thomas J. Stanley 2010-11-30 How do the rich get rich? An updated edition of the “remarkable” New York Times bestseller, based on two decades of research (The Washington Post). Most of the truly wealthy in the United States don't live in Beverly Hills or on Park Avenue. They live next door. America's wealthy seldom get that way through an inheritance or an advanced degree. They bargain-shop for used cars, raise children who don't realize how rich their families are, and reject a lifestyle of flashy exhibitionism and competitive spending. In fact, the glamorous people many of us think of as “rich” are actually a tiny minority of America's truly wealthy citizens—and behave quite differently than the majority. At the time of its first publication, The Millionaire Next Door was a groundbreaking examination of America's rich—exposing for the first time the seven common qualities that appear over and over among this exclusive demographic. This edition includes a new foreword by Dr. Thomas J. Stanley—updating the original content in the context of the financial crash and the twenty-first century. “Their surprising results reveal fundamental qualities of this group that are diametrically opposed to today's earn-and-consume culture.” –Library Journal

Living the 80/20 Way, New Edition Richard Koch 2011-02-22 Helps the reader to succeed personally as well as professionally, to make a good life as well as a living.

The Millionaire Mind Thomas J. Stanley 2001-08-02 Distinguishing the qualities that separate the prosperous from everyone else, the author mixes statistical data and lively anecdotes to plumb the secrets behind generating wealth. Reprint.

Secrets of the Millionaire Mind T. Harv Eker 2009-10-13 Secrets of the Millionaire Mind reveals the missing link between wanting success and achieving it! Have you ever wondered why some people seem to get rich easily, while others are destined for a life of financial struggle? Is the difference found in their education, intelligence, skills, timing, work habits, contacts, luck, or their choice of jobs, businesses, or investments? The shocking answer is: None of the above! In his groundbreaking Secrets of the Millionaire Mind, T. Harv Eker states: "Give me five minutes, and I can predict your financial future for the rest of your life!" Eker does this by identifying your "money and success blueprint." We all have a personal money blueprint ingrained in our subconscious minds, and it is this blueprint, more than anything, that will determine our financial lives. You can know everything about marketing, sales, negotiations, stocks, real estate, and the world of finance, but if your money blueprint is not set for a high level of success, you will never have a lot of money—and if somehow you do, you will most likely lose it! The good news is that now you can actually reset your money blueprint to create natural and automatic success. Secrets of the Millionaire Mind is two books in one. Part I

explains how your money blueprint works. Through Eker's rare combination of street smarts, humor, and heart, you will learn how your childhood influences have shaped your financial destiny. You will also learn how to identify your own money blueprint and "revise" it to not only create success but, more important, to keep and continually grow it. In Part II you will be introduced to seventeen "Wealth Files," which describe exactly how rich people think and act differently than most poor and middle-class people. Each Wealth File includes action steps for you to practice in the real world in order to dramatically increase your income and accumulate wealth. If you are not doing as well financially as you would like, you will have to change your money blueprint. Unfortunately your current money blueprint will tend to stay with you for the rest of your life, unless you identify and revise it, and that's exactly what you will do with the help of this extraordinary book. According to T. Harv Eker, it's simple. If you think like rich people think and do what rich people do, chances are you'll get rich too!

Live Like a Millionaire (Without Having to Be One) Vicky Oliver 2015-01-13 The wealthier few get invited to glitzier parties, live in swankier homes, drive faster cars, and date hotter people. But why should life's perks accrue to only the fantastically rich? In a world where social standing is determined by perception, Live Like a Millionaire (Without Having to Be One) will show you what it takes to mingle with millionaires, party with plutocrats, and attain the lavish lifestyle on a stipend. Vicky Oliver will teach you how to: Dress to impress, even if the emperor (you) has no clothes. Skimp on the items no one will notice anyway. Achieve millionaire hair for pennies. Develop frugalista fashion flair. Amass a \$64 million vocabulary. Use your conversational charm and social media moxie to schmooze your way into the Inner Circle. Attain the trappings of luxury? no matter your net worth!

Everyday Millionaires Chris Hogan 2019 Hogan shows that God's way of managing money really works. Millionaire status doesn't require inheriting a bunch of money or having a high-paying job. The path to becoming a millionaire is paved with tools that you either already have or that you can learn. Take personal responsibility; practice intentionality; be goal-oriented, a hard worker; and be consistent. If you adopt this mindset, you, too, can become a millionaire. -- adapted from foreword and introduction

Launch (Updated & Expanded Edition) Jeff Walker 2021-07-27 From the creator of Product Launch Formula: A new edition of the #1 New York Times best-selling guide that's redefined online marketing and helped countless entrepreneurs make millions. The revised and updated edition of the #1 New York Times bestseller Launch will build your business - fast. Whether you've already got an online business or you're itching to start one, this is a recipe for getting more traction and a fast start. Think about it: What if you could launch like Apple or the big Hollywood studios? What if your prospects eagerly counted down the days until they could buy your product? And you could do it no matter how humble your business or budget? Since 1996, Jeff Walker has been creating hugely successful online launches. After bootstrapping his first Internet business from his basement, he quickly developed a process for launching new products and businesses with unprecedented success. And once he started teaching his formula to other entrepreneurs, the results were simply breathtaking. Tiny, home-based businesses started doing launches that brought in tens of thousands, hundreds of thousands, and even millions of dollars. Whether you have an existing business or you're starting from scratch, this is how you start fast. This formula is how you engineer massive success. Now the question is this: Do you want to start slow, and fade away from there? Or are you ready for a launch that will change the future of your business and your life?

Click Millionaires Scott Fox 2012-05-14 The new American Dream is doing work you love with the freedom and income to live the life you want. Thanks to the Internet, anyone can launch a business with little or no start-up capital or technical expertise. The rules have changed. The American Dream is no longer the "corner office." It's a successful lifestyle business you can run from your home, the beach, or wherever you desire. In this book, lifestyle entrepreneurship expert Scott Fox teaches weary corporate warriors and aspiring entrepreneurs how to trade the 9-5 job they hate for an online business they love. This guide explains how to combine outsourcing, software, and automated online marketing to build recurring revenues, all while working less and making fewer lifestyle compromises that corporate "success" requires. In Click Millionaires, you will learn how to: find a lucrative niche on the Internet that matches your interests and skills; choose an online business model: from blogs, online communities, digital

delivery, online services, affiliate marketing and even physical products; position yourself as an expert; build your audience; design the lifestyle you want; and balance passion and profits to realize their personal definition of success. Featuring stories of dozens of "regular folks" who have reinvented themselves as "Click Millionaires", this inspiring and practical guide shows you how to stop dreaming of a better life and start living it!

The Social Capitalist Josh Lannon 2013-02-28 Social Entrepreneur is a book about how two ordinary people turn a huge social problem into a solution, not only for themselves but for thousands of others. From Nightclub Owner (Josh) and Law Enforcement Officer (Lisa) to Social Entrepreneurs of Journey Healing Centers (accredited private drug and alcohol treatment centers). They turned their lives around and are building businesses that bring families back together again (by using the Rich Dad principles). Businesses are evolving to a higher purpose, the why we do what we do. Like the movements across the world and in our own backyards (occupy wall street) people want purpose in their lives. They want to be a positive contribution. We are in the next Mega Trend of a social movement.
