[El Chupacabras, Adam Rubin 2018-03-27](#) From the bestselling author of [Dragons Love Tacos](#) comes a whimsical re-telling of the chupacabra folktale, written in a blend of English and Spanish A long time ago, a girl named Carla lived on a goat farm with her father, Hector. One night, a goat disappeared from the farm and turned up flat as a pancake. Only one creature could do that--El Chupacabras, the goatsucker! Legend has it that El Chupacabras is a fearsome beast, but you can't believe everything you hear...and sometimes the truth is even more interesting. Told in equal parts English and Spanish by bestselling author Adam Rubin, and cinematically illustrated by acclaimed Hollywood creature creator Crash McCreery, this lighthearted take on a modern legend is not told in the traditional bilingual style. Each sentence is half-Spanish/half-English followed by a repetition of the same line translated the other way around. This mirroring technique allows the languages to intermingle equally. A fun and unique way to introduce either Spanish or English to new readers. A note from author Adam Rubin: "I decided to tell this story in an unusual way to explore the beauty of harmony. It's easy to dismiss the unfamiliar, but compassion takes a little more effort. With so many people trumpeting divisiveness right now, it's more important than ever to teach kids that there is more than one way to understand the world."

On a dreary, stuck-inside kind of day, a brother and sister heed their grandmother's advice: "Use those beautiful and brilliant minds of yours. Lift your arms, close your eyes, take a deep breath, and believe in a thing. Somebody somewhere at some point was just as bored you are now." And before they know it, their imaginations lift them up and out of their boredom. Then, on a day full of quarrels, it's time for a trip outside their minds again, and they are able to leave their anger behind. This precious skill, their grandmother tells them, harkens back to the days long before they were born, when their ancestors showed the world the strength and resilience of their beautiful and brilliant minds. Jacqueline Woodson's lyrical text and Rafael Lopez's dazzling art celebrate the extraordinary ability to lift ourselves up and imagine a better world.
