Wolf in Shadow David Gemmell 2011-06-01 "David Gemmell tells a very real adventure, the stuff of true epic fantasy."—New York Times bestselling author R. A. Salvatore John Shannow, The Jerusalem Man, lived in a world that had toppled on its axis. Civilization had been replaced by ruthlessness and savagery. Relentless in his quest for peace, Shannow followed a path that led only to bloodshed and sorrow. Abaddon, the Lord of

the Pit, sought to plunge mankind into a new Satanic era. His Hellborn army spewed forth from the Plague Lands with an unholy force stemming from human sacrifice. For it was the blood of innocents that fueled the corrupted Sipstrassi Stones of Power—the source of Abaddon's might. But the Hellborn made a fatal mistake—they took the woman who had stolen Shannow's heart. He would move Heaven and Earth to save her or he would die trying. “Gemmell . . . keeps the mythic currents crackling.”—Publishers Weekly

Heroes out of legend joined his quest: Chareos the Blademaster, Beltzer the Axeman, and the bowmen Finn and Maggrig. Stormrider David Gemmell 2002-02-26 Spellbinding action and breathless adventure—these are the realms of David Gemmell. His mythic characters represent the ultimates in good and evil, and everything in between. Brilliant warriors, they are heartbreakingly human in their ability to love, sacrifice, and summon extraordinary courage when all seems lost. With Stormrider, Gemmell continues his spectacular Rigante saga as the imperiled highland clan faces its deadliest threat . . . and calls for it's greatest hero. STORMRIDER A Novel of the Rigante Centuries ago, Connavar's triumphant battles against the invading army of Stone gained the Rigante their freedom, yet magic that once flourished has been all but snuffed out. The Varlish king and his barons have stolen Rigante lands and robbed the people of their culture and liberty. From the Rigante's former seat of power the black-hearted Moidart rules; only in the north are the clansmen free. There, in the Druagh mountains, the magic still reigns, strengthened by bold, brilliant victories of the outlaw leader known as Ravenheart. One glorious spark, one moment of Rigante rebellion, has ignited a revolution and forged a legend. The conquered clans set about to rediscover their greatness—yet theirs is not

the only call to arms. In the south, civil war has drenched the land in blood, and the armies of destruction have begun creeping north. There the brooding Ravenheart waits, knowing the forces of the hated Moidart will come, led by the brutal ruler's only son, Stormrider. Ravenheart and Stormrider: enemies of uncommon courage, are unaware that the fate of the world lies in their hands. Faced with this inexorable advance, deadly foes will be forced to unite, and a secret lost in the uncharted past will return to haunt these two warriors as they face the vengeance of an ancient evil. Immense armies of darkness advance on the highlanders, and it seems as if nothing will stop them. They crush their enemies with ease, until only a few thousand men stand before them, with no help in sight. But these are not ordinary men they face. They are clansmen, and more than that, they are Rigante.

The Elder Gods David Eddings 2003-10-15 While most continents float freely on the face of Mother Sea, the Land of Dhrall survives anchored by the will of the Gods. All Gods, Elder and Younger, share the people and the land of Dhrall equally. But the one place they never enter is The Wasteland: a barren and hideous wilderness ruled by the Vlagh--a god-like creature whose young are evil spawn. Now, as the Elder Gods are about to transfer their power to the Younger Gods, the Vlagh plans to take advantage of their weakened state and neutralize them, eventually conquering the world. To do so, it is breeding a terrible force borne of monsters and demons. But one ray of hope shines through the darkness: four children called the Dreamers. They alone hold the power to change the course of history...and stop the Vlagh in its quest for total world domination.

Enchanters' End Game David Eddings 1984 The conclusion of the Belgariad series sees Garion crowned as Overlord of the West, as in the East, the evil God Torak is about to awaken and challenge Garion's rule
