*Obsessed* Allison Britz 2017-09-19 A brave teen recounts her debilitating struggle with obsessive-compulsive disorder—and brings readers through every painful step as she finds her way to the other side—in this powerful and inspiring memoir. Until sophomore year of high school, fifteen-year-old Allison Britz lived a comfortable life in an idyllic town. She was a dedicated student with tons of extracurricular activities, friends, and loving parents at home. But after awakening from a vivid nightmare in which she was diagnosed with brain cancer, she was convinced the dream had been a warning. Allison believed that she must do something to stop the cancer in her dream from becoming a reality. It started with avoiding sidewalk cracks and quickly grew to counting steps as loudly as possible. Over the following weeks, her brain listed more dangers and fixes. She had to avoid hair dryers, calculators, cell phones, computers, anything green, bananas, oatmeal, and most of her own clothing. Unable to act “normal,” the once-popular Allison became an outcast. Her parents questioned her behavior, leading to explosive fights. When notebook paper, pencils, and most schoolbooks were declared dangerous to her health, her GPA imploded, along with her plans for the future. Finally, she allowed herself to ask for help and was diagnosed with obsessive-compulsive disorder. This brave memoir tracks Allison’s descent and ultimately hopeful climb out of the depths.

*Planning with Kids* Nicole Avery 2011-05-04 The ultimate guide for parents who dream of having a little less chaos and a lot more time for the good things in life Written by mother of five, Nicole Avery, this book shows harried parents how, with just a bit of planning, family life can become easier to manage, less stressful, and decidedly more fun. "Dream on," you say? "I might as well try to herd cats as to get my kids to follow a lot of arbitrary rules!" And Nicole would agree, which is why *Planning with Kids* isn't like any other parenting guide out there. It was inspired by Nicole's blog of the same name, which, over the past three years, has garnered a huge audience of likeminded parents who have achieved nothing

short of miraculous results following her advice. You'll find strategies for streamlining and enhancing everything from the routines of daily life, to family relationships, to budgeting and finances, playtime and much more! *Just a Dog* Michael Gerard Bauer 2014-08-26 Sometimes a dog isn't just a dog--sometimes he's the glue the holds a whole family together. Mr. Mosely is a special dog. Not just because he's so big (he's part Great Dane.) Not just because he's all white (with one black spot under his eye and a heart shaped splotch on his chest.) Not just because he's clumsy, or because of tricks (he only knows one, and it's not very good.) He's special because he seems to know exactly what everyone in Corey's family needs, even when they don't know themselves. This is the story of Mr. Mosely, from his puppyhood to the last time he curls up on the back porch. It's the story of how sometimes a dog isn't "just a dog". Sometimes he's the glue the holds a whole family together.

*Liquid Nitrogen* Jennifer Maiden Jennifer Maiden's poems are like verse essays, subjecting the political issues of our time, and the figures who dominate them, to a fierce scrutiny, while allowing the personal aspects of experience to be portrayed in the most delicate and imaginative ways. This is the quality of liquid nitrogen which gives the book its title -- 'the frozen suspension which is risky/ but also fecund and has beauty' -- it is a substance which permits the most intense and heated interactions, and at the same time, the survival of delicate organisms. In the cool medium of Maiden's poetry Julia

Gillard confronts her mentor Nye Bevan, Kevin Rudd shares a flight with Dietrich Bonhoeffer, Eleanor Roosevelt plays Woody Guthrie for Hillary Clinton. The poems focus on the terrorist attacks in Mumbai, Breivik in Norway, dissidents in Beijing, the protests in Tahrir Square and Gillard's way of governing, alongside tributes to friends and family, cats and dogs, birds and music. Few poets are as political as Maiden, and as intimate.
