Hospitality Today **Rocco M. Angelo** 2004

Forthcoming Book **Rose Army** 1999-04

Housekeeping Management **Margaret M. Kappa** 1997

The British National Bibliography **Arthur James Wells** 2009

The Interpretation of International Investment Law **Todd Weiler** 2013-05-02 In The Interpretation of International Investment Law: Equality, Discrimination and Minimum Standards of Treatment in Historical Context, author Todd Weiler demonstrates how historiographical analysis should be adopted in the interpretation of international investment law obligations. Weiler subjects some of the most commonly held beliefs about the nature and development of international investment law to a critical re-appraisal, based upon meticulously assembled historical record. In the process, the book provides readers with a fresh perspective on some of the oldest obligations in international law.

The Management of Tourism **Lisley Pender** 2005 This text provides detailed coverage of the breadth of issues involved in the management of tourism businesses. It explains and supports fundamental business management aspects whilst examining specific techniques required for the successful management of a variety of tourism businesses.

Tourism, Crime and International Security **Abraham Pizam** 1996-05-03 In the last three decades tourism has become the world's largest and fastest growing industry, has been constantly plagued by acts of crime and violence intentionally conducted against innocent tourists. This is the first authoritative book to analyse the relationship between tourism development, crime and international security issues. Written by an international collection of authors, the book combines theoretical models, case studies and the most up-to-date research from around the world.

Introduction to the Hospitality Industry **Gerald W. Lattin** 1998

Managing Front Office Operations **Michael L. Kasavana** 1998 A textbook for students of hospitality. Explains such aspects as the nature of the lodging industry, hotel organization, front office operations and reservations, registrations, accounting, check-out and settlement, the night audit, planning and evaluation of operations, and managing revenue.

Model Rules of Professional Conduct **American Bar Association. House of Delegates** 2007 The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary and disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for practical application. The Rules will help you identify proper conduct in a variety of given situations, recognize instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

The Routledge Handbook of Hospitality Management is S Pantelidis 2014-03-26 Hospitality is an industry characterised by its complex nature and numerous sectors including hotels, hostels, B&Bs, restaurants, nightclubs and contract catering. However, despite its segmentation, there are key issues that are present across subsectors. The Routledge Handbook of Hospitality Management adopts a strategic approach and expertly and critically evaluates current debates, issues and controversies to enable the reader to learn from the industry's past mistakes as well as future opportunities. Especially relevant at a time when many sectors of the industry are to re-evaluate and reinvent themselves in response to the economic downturn the Handbook brings together specialists from both industry and academia and from a range of geographical regions to provide state-of-the-art theoretical reflection and empirical research. Each of the five inter-related sections explores and evaluates issues that are of extreme importance to hospitality organisations, many of which have not been adequately addressed before: external and internal customers, debates surrounding finance, uncertainty risk and conflict, sustainability and e-Hospitality and Technology. This book is an invaluable resource for all those with an interest in hospitality, encouraging dialogue across disciplinary boundaries and areas of study. It is essential reading for students, researchers & academics and managers of Hospitality as well as those of Tourism, Events, Marketing, and Business Management.

Front Office Procedures Michael L. Kasavana 1998 "This ... textbook provides students with an in-depth look at the management of the front office and how this department interacts with other hotel departments to create a memorable guest experience. The eighth edition has been revised with new material on the potential impact of automated information technologies on a variety of front office functions. This edition also includes new information on revenue managers, how blogging and social networking affect hotels, manual backup procedures for automated system failure, identity theft prevention, payment card security standards, and green hotels. In addition, important discussions of front office operations have been expanded throughout the text, especially with respect to human resources management, business forecasting, revenue management, budget planning, and front office staff interaction with sales, housekeeping, and security personnel."--Publisher description.

Setting the Table Danny Meyer 2009-10-13 The bestselling business book from award-winning restaurateur Danny Meyer, of Union Square Cafe, Gramercy Tavern, and Shake Shack Seventy-five percent of all new restaurant ventures fail, and of those that do stick around, only a few become icons. Danny Meyer started Union Square Cafe when he was 27, with a good idea and hopeful investors. He is now the co-owner of a restaurant empire. How did he do it? How did he beat the odds in one of the toughest trades around? In this landmark book, Danny shares the lessons he learned developing the dynamic philosophy he calls Enlightened Hospitality. The tenets of that philosophy, which emphasize strong in-house relationships as well as customer satisfaction, are applicable to anyone who works in any business. Whether you are a manager, an executive, or a waiter, this story and philosophy will help you become more effective and productive, while deepening your understanding and appreciation of a job well done. Setting the Table is landmark a motivational work from one of our most gifted and insightful business leaders.

Leadership and Management in the Hospitality Industry Robert H. Woods 2002

Principles of Hospitality Law Michael John Boella 1999

International Encyclopedia of Hospitality Management 2nd Edition Pizam 2012-06-25 The International Encyclopedia of Hospitality Management is the definitive reference work for any individual or working in the hospitality industry. There are 185 Hospitality Management degrees in the UK alone. This 2nd edition updates and significantly revises twenty five per cent of the entries and has an additional two hundred entries. New online material makes it the most up-to-date and accessible hospitality management encyclopedia on the market. It covers all of the relevant issues in the field of hospitality management from a sectoral perspective (lodging, restaurants/food service, time-share, clubs and events) as well as a functional one (accounting, finance, marketing, strategic management, human resources, information technology and facilities management). Its unique, user-friendly structure enables readers to find exactly the information they require at a glance, whether they require broad detail that takes a more cross-sectional view across each subject field or focused information that looks closely at specific topics and issues within the hospitality industry too.

Ellis explain security equipment, procedures for guest concerns, departmental responsibilities in protecting guests and assets, protect emergency management, risk management and insurance.

Bowker's Law Books and Serials in Print 1998

Hotel Asset Management Paul Beals 2004

Hospitality Law Stephen C. Barth 2017-05-10 Hospitality Law: Managing Legal Issues in the Hospitality Industry, Fifth Edition takes an applied approach to the study of hospitality law with its touchstone of prevention. The book is highly pedagogical and includes many interactive exercises and real world examples to help students focus on the practical application of hospitality laws and model their decision process to avoid liability. As a result, this book does look different than others on the market as the legal information is carefully selected to specifically correlate with helping students understand how to do the right thing. This is a comprehensive book on the laws. Barth immediately helps readers learn about the legalities of situations they will work through exercises – both individually and in groups -- to effectively apply them to hospitality management situations. Many instructors teach their course from a very applied perspective, which aligns with Barth's approach.
