In the Kitchen with David (Enhanced Edition) David Venable 2012-10-09 This enhanced eBook edition contains more than thirty minutes of video, featuring tips on picking the right ingredients, advice from experts on meat, poultry, and cheeses, and cooking demonstrations of Venable family recipes by David and his mom.* David Venable will be the first to tell you: He loves his food. And as the beloved host of QVC's popular program, *In the Kitchen with David*,[®] he's put that passion on mouthwatering display, welcoming some of the greatest names in the food world. But Venable's own culinary skills—honed in the Carolina kitchens of his mother and grandmothers—are nothing short of remarkable and tantalizing. Now, in his anticipated debut cookbook, Venable shares 150 delicious recipes of hearty, easy-to-make, comforting dishes. *In the Kitchen with David* covers everything from appetizers and breads to soups and salads to main courses and sides, as well as his lifelong love of bacon (*The Divine Swine!*). You'll get ideas for quick Monday-to-Friday dinners, let-it-cook-all-weekend suppers, savory breakfasts and brunches, cocktail party fun, game-day eats, and family reunion feasts. And of course, no Southern-influenced cookbook is complete without a little something sweet. Venable's favorites include Party Starters: White Bean and Sun-Dried Tomato Dip, Chicken Nachos, Cheddar-Broccoli Poppers with Ranch Dipping Sauce, Cheesy Crab Stuffed Mushrooms Supporting Players: Summer Squash Fritters with Garlic Dipping Sauce, Scrumptious Hush Puppies, Mom's "Browned" Rice, Sweet Potato-Pineapple Casserole Main Events: Breaded Pork Cutlets, Chicken Marsala, Braised Beef Short Ribs, Low Country Boil Sweet, Sweet Gratification: Deep Dish Apple Pie, Flourless Chocolate Cake, Banana Pudding Cheesecake, Peach Cobbler Loaded with gorgeous photographs, helpful "Dishin' with David" tips, and personal anecdotes, *In the Kitchen with David* encourages you and your family to gather around the dinner table for great meals and, more important, great memories. After all, the portions are generous; the options are limitless. Foreword by Paula Deen Advance praise for *In the Kitchen with David* "David Venable's unbridled love for good, hearty comfort food is absolutely infectious. He knows what delicious food tastes like, and one peek at the recipes in his book had me positively drooling. I haven't been this excited about a cookbook in a long, long time!"—Ree Drummond, #1 New York Times bestselling author of *The Pioneer Woman Cooks* "David definitely knows his way around the kitchen, and he sure gets cooking with some comfort food in this book. And that's saying something coming from the two of us comfort food lovers!"—Pat and Gina Neely, hosts of *Down Home with the Neelys* *Video may not play on all readers. On the Move with the Mobile Web Ellyssa Kroski 2008 The mobile Web is still evolving, and this is an exciting time of early development, but some hurdles still need to be overcome. This Library Technology Reports examines the various components of the mobile web and explores how they can and have been utilized by librarians. In the Report, author and library-technology blogger Ellyssa Kroski outlines the components of the mobile Web the users, devices, the operating systems, the services, the content and illuminates the research tracking how users currently engage with information on the World Wide Web via their mobile devices. Kroski also details several library mobile initiatives and provides a "how to" chapter for libraries interested in developing a mobile experience for their users.

The Secret Lives of Hoarders Matt Paxton 2011-05-03 On the front lines with extreme hoarders *The Secret Lives of Hoarders* is much more than harrowing tales of attacking the ugliest, dirtiest, and most shocking hoarding cases in the country. It is a behind-the-scenes look at this hidden epidemic- what it means, how to recognize it before it gets out of hand, and how to deal with it. Through his work with hundreds of clients in the worst circumstances- from the giant "rat's nest" that hid more than \$13,000 in cash to a vast cache of cartoon pornography to twenty-five years' worth of unopened mail-Matt Paxton has learned to understand this disorder and his clients' impulses to collect, to speak the hoarders' language, and to reach out to them with compassion and concern while avoiding criticism and judgment. Most important, he guides compulsive hoarders successfully through every step of the clean-up and healing process. *The Secret Lives of Hoarders* is an engrossing and sometimes unsettling look at extreme clutter but one that helps hoarders, their families, and their friends to find meaning in the chaos.

The Better World Shopping Guide: 6th Edition Ellis Jones 2017-10-01 Small enough to fit in your pocket, this practical little book will help you change the world as you shop! While we strive to make our vote count every four years, few of us realize that our most immediate power to shape the world is squandered on a daily basis. Every dollar we spend has the potential to create social and environmental change. In fact, it already has. The world that exists today is in large part a result of our purchasing decisions. The Better World Shopping Guide rates hundreds of products and services from A to F, so you can quickly tell the "good guys" from the "bad guys" and ensure your money is not supporting corporations that make decisions based solely on the bottom line. Drawing on decades of meticulous research, this completely revised and updated sixth edition will help you find out who actually "walks the talk" when it comes to: Environmental sustainability Human rights Community involvement Animal protection Social justice Small enough to fit in a back pocket or handbag and organized in a user-friendly format, The Better World Shopping Guide helps you reward companies who are doing good, penalize those involved in destructive activities, and change the world as you shop! Ellis Jones, PhD is the award-winning, bestselling author of five previous editions of The Better World Shopping Guide, and co-author of The Better World Handbook. A scholar of social responsibility, global citizenship, and everyday activism, he has dedicated himself to uncovering practical ways for people to make a difference in the world. The Art of Screen Time Anya Kamenetz 2018-01-30 Finally: an evidence-based, reassuring guide to what to do about kids and screens, from video games to social media. Today's babies often make their debut on social media with the very first sonogram. They begin interacting with screens at around four months old. But is this good news or bad news? A wonderful opportunity to connect around the world? Or the first step in creating a generation of addled screen zombies? Many have been quick to declare this the dawn of a neurological and emotional crisis, but solid science on the subject is surprisingly hard to come by. In *The Art of Screen Time*, Anya Kamenetz -- an expert on education and technology, as well as a mother of two young children -- takes a refreshingly practical look at the subject. Surveying hundreds of fellow parents on their practices and ideas, and cutting through a thicket of inconclusive studies and overblown claims, she hones a simple message, a riff on Michael Pollan's well-known "food rules": Enjoy Screens. Not too much. Mostly with others. This brief but powerful dictum forms the backbone of a philosophy that will help parents moderate technology in their children's lives, curb their own anxiety, and create room for a happy, healthy family life with and without screens.

The Pioneer Woman Cooks—Super Easy! Ree Drummond 2021-10-19 #1 New York Times bestseller Bring the family together—and take it easy on yourself! Between my family, my website, my cookbooks, and my TV show, I make a lot of food around here! And as much as I've always loved cooking (and of course, eating!), it seems that more and more these days, I'm looking for ways to simplify my life in the kitchen. I find myself gravitating toward recipes that are delicious but don't require a lot of prep or fuss, because they free me up to have more time (and energy) for other areas of my life. This also makes cooking less of a chore and more of a pleasure—exactly what cooking should be! *The Pioneer Woman Cooks—Super Easy!* will free you up and transform your cooking life as well, with 120 recipes that range from effortless breakfasts to breezy skillet meals to speedy soups to ready-in-minutes Tex-Mex delights, so you'll have lots of options for any given meal. Many recipes in this cookbook call for step-saving (and sanity-saving) shortcuts that will revolutionize the time you spend making meals for your family, and all of them are utterly scrumptious! I've absolutely fallen in love with this new generation of recipes, including Butter Pecan French Toast, Buffalo Chicken Totchos, Speedy Dumpling Soup, Broccoli-Cheese Stromboli (so great for kids!), and an entire section of pastas and grains, such as One-Pot Sausage Pasta and colorful and fresh Hawaiian Shrimp Bowls. You'll find yummy meals such as Pepperoni Fried Rice, Chicken-Fried Steak Fingers, and ultra-tasty Chicken Curry in a Hurry . . . as well as assemble-in-the-baking-dish casseroles, throw-together sheet pan suppers, and simply decadent desserts such as Mug Cakes, Coconut Cream Pie, and Brownie S'Mores Bars that you'll dream about. There's something for everyone in this cookbook, and not a single recipe, ingredient, or step is complicated or difficult. Now that's the kind of cooking we can all get behind!

Android For Dummies Dan Gookin 2020-09-09 *Your comprehensive (and very friendly!) reference guide to Android phones and tablets You're used to hearing it said that the phone in your pocket or tablet by your bed has more computing power than the entire Apollo 11 space program in the 1960s (or something similarly impressive)—and this is no less true for Android devices than any other. Sounds great—but what does that actually mean you can do with them? The new edition of Android For Dummies reveals all for new and experienced users alike, making it easy to get the most out of the awesome computing power of Android smartphone and tablet devices—from communications and pictures and videos to the wonderful world of 2.8+ million Google apps! Cutting through the jargon, bestselling tech author Dan Gookin puts you in touch with all the Android features you'll need to know (and many more you'll be pleased to discover!), from setup and configuration to the major features, such as text, email, internet, maps, navigation, camera, and video, as well as synching with your home computer. In addition to getting familiar with these and the latest Android 10 operating system (OS)—in both Google Pixel and Samsung versions—you'll become an expert on the best ways to share your thoughts, videos, and pictures on social media, navigate with Android Auto when driving, and maintain your files so they're orderly and easy to find. Explore Android devices, from physical functions to software and online features Communicate via email, social media, Google Duo video calls, and more Tweak your privacy settings to keep your information secure Use Android Auto when driving and see in the dark with Night Light and Dark Mode Androids may be able to land a spacecraft on the Moon (yet) but there's a whole universe waiting right there in the device at your fingertips—and this book is the perfect place to begin to explore!*

Aging Backwards Miranda Esmonde-White 2014-11-11 PBS fitness personality on Classical Stretch and creator of the fitness phenomenon Essentrics, Miranda Esmonde-White offers an eye-opening guide to anti-aging that provides essential tools to help anyone turn back the clock and look and feel younger no matter what age. Miranda Esmonde-White trains everyone from prima ballerinas to professional hockey players to Cerebral palsy patients: what do they all have in common? All of these people are hoping to heal their bodies, prevent further injury, and move optimally and without pain. In fact, they have the same goals as any of us who are trying to stay young, fit, and reverse the hands of time. Because the aging of our bodies occurs in our cells, it must be repaired there too—that's where Miranda's highly effective and sought-after techniques come in. The body is programmed to self-destruct as we age, but the speed at which it self-destructs is up to us. Recent scientific studies have proven this fact! In Aging Backwards, Miranda offers a groundbreaking guide on how to maintain and repair our cells, through scientifically designed workouts. Healthy cells prevent joint pain, muscle loss and weak bones—helping to control weight, increase energy, and improve strength and mobility. Miranda offers readers of all ages the tools they need to look and feel young. Complete with tips, tools, and her Eight Basic Age-Reversing Workouts accompanied by instructional photos and web clips, Aging Backwards will help you grow younger, not older!
