Zodiac Academy Susanne Valenti 2019-07-13 You have been selected to attend Zodiac Academy, where your star sign defines your destiny. If you're one of the Fae, elemental magic is in your blood. And apparently it's in ours. As twins born in the month of Gemini, we're a rare breed even in this academy of supernatural a-holes. Changelings were outlawed hundreds of years ago but I guess our birth parents didn't get the memo. Which means we're totally unprepared for the ruthless world of Fae. Air. Fire. Water. Earth. No one has ever harnessed all four of them, until we arrived. And it hasn't made us any friends so far. As the rarest Elementals ever known, we're already a threat to the four celestial heirs; the popular, vindictive bullies who happen to be some of the hottest guys we've ever seen. It doesn't help that they're the most dangerous beasts in the Academy. And probably on earth too. Our fates are intertwined, but they want us gone. They've only got until the lunar eclipse to force us out and they'll stop at nothing to succeed. We never knew we had a birthright to live up to but now that we do, we intend to claim our throne. We can't expect any help from the faculty when it comes to defending ourselves. So if the dragon shifters want some target practice, the werewolves want someone to hunt or the vampires fancy a snack then we have to be ready. But we've been looking after each other for a long time and fighting back is in our blood. Today's horoscope: totally screwed. This is a full-length medium burn novel that is the first in a university-age academy series. Expect forbidden teacher romance and bully romance with mature content suitable for upper YA readers and onwards.

American Sniper Chris Kyle 2012-01-03 The #1 New York Times bestselling memoir of U.S. Navy Seal Chris Kyle, and the source for Clint Eastwood's blockbuster, Academy-Award nominated movie. "An amazingly detailed account of fighting in Iraq--a humanizing, brave story that's extremely readable." – PATRICIA CORNWELL, New York Times Book Review "Jaw-dropping...Undeniably riveting." –RICHARD ROEPER, Chicago Sun-Times From 1999 to 2009, U.S. Navy SEAL Chris Kyle recorded the most career sniper kills in United States military history. His fellow American warriors, whom he protected with deadly precision from rooftops and stealth positions during the Iraq War, called him "The Legend"; meanwhile, the enemy feared him so much they named him al-Shaitan ("the devil") and placed a bounty on his head. Kyle, who was tragically killed in 2013, writes honestly about the pain of war—including the deaths of two close SEAL teammates—and in moving first-person passages throughout, his wife, Taya, speaks openly about the strains of war on their family, as well as on Chris. Gripping and unforgettable, Kyle's masterful account of his extraordinary battlefield experiences ranks as one of the great war memoirs of all time.

The Waves Virginia Woolf 1998 One of Woolf's most experimental novels, *The Waves* presents six characters in monologue - from morning until night, from childhood into old age - against a background of the sea. The result is a glorious chorus of voices that exists not to remark on the passing of events but to celebrate the connection between its various individual parts.

Cruel Beauty Rosamund Hodge 2014-01-28 If you're excited about the upcoming Disney film *Beauty and the Beast*, starring Emma Watson, don't miss *Cruel Beauty*. The romance of *Beauty and the Beast* meets the adventure of *Graceling* in this dazzling fantasy novel about our deepest desires and their power to change our destiny. Perfect for fans of bestselling *An Ember in the Ashes* and *A Court of Thorns and Roses*, this gorgeously written debut infuses the classic fairy tale with glittering magic, a feisty heroine, and a romance sure to take your breath away. Betrothed to the evil ruler of her kingdom, Nyx has always known that her fate was to marry him, kill him, and free her people from his tyranny. But on her seventeenth birthday when she moves into his castle high on the kingdom's mountaintop, nothing is what she expected—particularly her charming and beguiling new husband. Nyx knows she must save her homeland at all costs, yet she can't resist the pull of her sworn enemy—who's gotten in her way by stealing her heart.

Fire with Fire Destiny Soria 2021-06-08 Raised to be fierce dragon slayers, two sisters end up on opposite sides of the impending war when one sister forms an unlikely, magical bond with a dragon in this standalone YA contemporary fantasy that's perfect for fans of *Slayer* and *Sorcery of Thorns*. Dani and Eden Rivera were both born to kill dragons, but the sisters couldn't be more different. For Dani, dragon slaying takes a back seat to normal high school life, while Eden prioritizes training above everything else. Yet they both agree on one thing: it's kill or be killed where dragons are concerned. Until Dani comes face-to-face with one and forges a rare and magical bond with him. As she gets to know Nox, she realizes that everything she thought she knew about dragons is wrong. With Dani lost to the

dragons, Eden turns to mysterious and alluring sorcerers to help save her sister. Now on opposite sides of the conflict, each sister will do whatever it takes to save the other. But the two are playing with magic that is more dangerous than they know, and there is another, more powerful enemy waiting for them both in the shadows.

Stranger Sherwood Smith 2014-11-13 Many generations ago, a mysterious cataclysm struck the world. Governments collapsed and people scattered, to rebuild where they could. A mutation, "the Change," arose, granting some people unique powers. Though the area once called Los Angeles retains its cultural diversity, its technological marvels have faded into legend. "Las Anclas" now resembles a Wild West frontier town... where the Sheriff possesses superhuman strength, the doctor can warp time to heal his patients, and the distant ruins of an ancient city bristle with deadly crystalline trees that take their jewel-like colors from the clothes of the people they killed. Teenage prospector Ross Juarez's best find ever – an ancient book he doesn't know how to read – nearly costs him his life when a bounty hunter is set on him to kill him and steal the book. Ross barely makes it to Las Anclas, bringing with him a precious artifact, a power no one has ever had before, and a whole lot of trouble.

Conquer Me Kacie Cunningham 2011-03-28 Submissive women have needs just like anybody else. But how can a woman get her needs met when she's relinquished her power to her dominant partner? With warmth, wisdom and a down-to-earth approach, experienced submissive Kacie Cunningham analyzes the realities of the dominant-submissive lifestyle and suggests ways in which both partners can experience the greatest possible growth and pleasure. At the heart of the book is an emotion Kacie has dubbed "Conquer Me" -- which she defines as "the submissive's internal demand for a show of strength." Without a clear understanding of "conquer me," both submissive and dominant may find themselves at odds -- either fighting unhappily, or watching the passion ebb from their relationship. This book explains this unique need and how to get it met -- essential knowledge for any submissive or couple who wants to get the most out of their D/s lifestyle.

The Toybag Guide to Age Play Lee Harrington 2011-05-02 Adult babies, sassy schoolgirls, bratty teens - all hold an honored place in the erotic roleplaying imagination of many adults. Sexual Sorcery Jason Augustus Newcomb 2005-08-15 In plain, straightforward language, Jason Newcomb, author of *21st Century Mage* and *The New Hermetics*, tackles a subject that many magical texts gloss over or ignore--the practice of sex magick. *Sexual Sorcery* covers the many aspects of using sex as a sacrament, a ritual, or an expression of divine love. It also provides plenty of practical information helpful to any modern sexual sorcerer. *Sexual Sorcery* includes preliminaries to practice, such as how to broach the subject of sex magick with a partner (or how to find a partner), explanations of sexual technique as well as etiquette and energy, and the value of love in any relationship, especially a sexual relationship incorporating magick. From this base, *Sexual Sorcery* delves into the various techniques, types, and rituals of sex magick--using magick to enhance sex, ecstatic and mystical experiences during sex, and more esoteric techniques of sexual invocation, evocation, and alchemy. Newcomb defines a sorcerer as a solitary magician who is outside any particular faith or group, unbounded by the prohibitions of an order or coven, and able to explore the furthest realms of a subject without restriction. In this case the subject is sex magick, and *Sexual Sorcery* is the perfect guide for any 21st-century sexual sorcerer. It follows no one particular traditional path, but incorporates what works from other esoteric sexual practices.

The Dominance Playbook Anton Fulmen 2019-04 In *The Dominance Playbook*, kink educator and lifelong power exchange fanatic Anton Fulmen builds on the fundamentals he established in *The Heart of Dominance* to explore beyond the basics of dominance and submission in both scenes and relationships. The *Playbook* includes inspiration and practical advice for a wide range of power exchange practices: administering effective punishments, providing useful service, navigating the delicate territory of sexual objectification, and other fulfilling but sometimes tricky areas of kink. You'll find invaluable guidance for creating an intense evening of power exchange play, and also for weaving power exchange into the fabric of a long term relationship - in ways that are exciting, fulfilling and sustainable for everyone.

Under the Rose F. McGlohlen 2017-11-11 The intended audience of this book are those who are called to work in oppressive regions of the world; particularly, journalists, missionaries, and liberators who find themselves in an asymmetric fight. The content inside does not derive from any one nation or

organization's methods, but a culmination of many. It pulls from governmental, criminal, and militant techniques without regard to nationality. Topics of study include: creating covers, counter-surveillance, establishing caches, planning and executing urban, rural, and vehicular meetings, planning ratlines, and appropriate use of technology to augment clandestine communications.

Life of Pi Yann Martel 2009-03-19 Life of Pi is a masterful and utterly original novel that is at once the story of a young castaway who faces immeasurable hardships on the high seas, and a meditation on religion, faith, art and life that is as witty as it is profound. Using the threads of all of our best stories, Yann Martel has woven a glorious spiritual adventure that makes us question what it means to be alive, and to believe.

Beast Brie Spangler 2016 After falling off the roof, fifteen-year-old misfit Dylan must attend a therapy group for self-harmers where he meets Jamie, a beautiful and amazing person he doesn't know is transgender.

The Color of Kink Ariane Cruz 2016-10-04 The Color of Kink explores black women's representations and performances within American pornography and BDSM (bondage and discipline, domination and submission, and sadism and masochism) from the 1930s to the present, revealing the ways in which they illustrate a complex and contradictory negotiation of pain, pleasure, and power for black women. Based on personal interviews conducted with pornography performers, producers, and professional dominatrices, visual and textual analysis, and extensive archival research, Ariane Cruz reveals BDSM and pornography as critical sites from which to rethink the formative links between Black female sexuality and violence. She explores how violence becomes not just a vehicle of pleasure but also a mode of accessing and contesting power. Drawing on feminist and queer theory, critical race theory, and media studies, Cruz argues that BDSM is a productive space from which to consider the complexity and diverseness of black women's sexual practice and the mutability of black female sexuality. Illuminating the cross-pollination of black sexuality and BDSM, The Color of Kink makes a unique contribution to the growing scholarship on racialized sexuality.

Tongue Tied Stella Harris 2018-09-11 You can't get what you unless you ask for it! "My favorite thing when I'm working with clients is when their eyes go wide with the 'ah-ha' moment that they really can have the sex life of their dreams. It's my hope that with this book, you can as well."--Stella Harris Sex is still a touchy subject despite recent sex-positive advances. We live in a culture that vilifies people who are sexually adventurous and frames our kinks as shame-inducing perversions. Many people have never been able to talk openly about sex with their partner(s). But, you can get what you want out of the bedroom--if you ask for it. Why should anyone settle for mediocre sex?! Whether addressing sexual frustration with your partner, trying out new fantasies, or negotiating the terms of a BDSM scene, Stella Harris believes that communication skills are vital to sexual fulfillment. Tongue Tied gives readers straightforward advice on how to conquer their fears, identify their needs, and feel positively empowered. Harris charmingly takes readers through all aspects of communication, from basic interpersonal skills to negotiation advice for expert-level kink play. Learn how to have fun, embrace silly moments, support your loved ones, and take personal responsibility for your desires. An incredible guide full of exercises, tools, and personal examples, Tongue Tied is a must-read for people of every experience level and relationship status.

The Jungle Book Rudyard Kipling 1920

Neem National Research Council 1992-02-01 The neem tree, one of the most promising of all plants, may eventually benefit every person on the planet. Probably no other plant yields as many varied products or has as many exploitable by-products. Indeed, as foreseen by some scientists, this tree may usher in a new era in pest control; provide millions with inexpensive medicines; cut the rate of population growth; and perhaps even reduce erosion, deforestation, and the excessive temperature of an overheated globe. On the other hand, although the enthusiasm may be justified, it is largely founded on exploratory investigations and empirical and anecdotal evidence. The purpose of this book is to marshal the various facts about this little-known species, to help illuminate its future promise, and to speed realization of its potential.

Breaking Dawn Stephenie Meyer 2008-08-02 In the explosive finale to the epic romantic saga, Bella has one final choice to make. Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hang. This astonishing, breathlessly anticipated conclusion to the Twilight Saga illuminates the secrets and mysteries of this spellbinding romantic epic. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, *Midnight Sun*: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

A Court of Wings and Ruin Sarah J. Maas 2017-05-02 The epic third novel in the #1 New York Times bestselling *Court of Thorns and Roses* series by Sarah J. Maas. Feyre has returned to the Spring Court, determined to gather information on Tamlin's actions and learn what she can about the invading king threatening to bring her land to its knees. But to do so she must play a deadly game of deceit. One slip could bring doom not only for Feyre, but for everything-and everyone-she holds dear. As war bears down upon them all, Feyre endeavors to take her place amongst the High Fae of the land, balancing her struggle to master her powers-both magical and political-and her love for her court and family. Amidst these struggles, Feyre and Rhysand must decide whom to trust amongst the cunning and lethal High Lords, and hunt for allies in unexpected places. In this thrilling third book in the #1 New York Times bestselling series from Sarah J. Maas, the fate of Feyre's world is at stake as armies grapple for power over the one thing that could destroy it.

A Court of Silver Flames Sarah J. Maas 2021-02-16 Sarah J. Maas's sexy, richly imagined series continues with the journey of Feyre's fiery sister, Nesta. Nesta Archeron has always been prickly-proud, swift to anger, and slow to forgive. And ever since being forced into the Cauldron and becoming High Fae against her will, she's struggled to find a place for herself within the strange, deadly world she inhabits. Worse, she can't seem to move past the horrors of the war with Hybern and all she lost in it. The one person who ignites her temper more than any other is Cassian, the battle-scarred warrior whose position in Rhysand and Feyre's Night Court keeps him constantly in Nesta's orbit. But her temper isn't the only thing Cassian ignites. The fire between them is undeniable, and only burns hotter as they are forced into close quarters with each other. Meanwhile, the treacherous human queens who returned to the Continent during the last war have forged a dangerous new alliance, threatening the fragile peace that has settled over the realms. And the key to halting them might very well rely on Cassian and Nesta facing their haunting pasts. Against the sweeping backdrop of a world seared by war and plagued with uncertainty, Nesta and Cassian battle monsters from within and without as they search for acceptance-and healing-in each other's arms.

Real Service [Epub] Joshua Tenpenny 2015-07-30 In any consenting and negotiated personal service relationship, there are hundreds of ways in which the servant can make the master's life easier, and the master can manage the servant most effectively. Why is it that we usually only hear about a few of these ways, mostly sexual service, kinky play, and BDSM, or perhaps leather care or formal tea service? From housework to driving to child care to personal care, nearly anyone who is in service (or who would like to be) has dozens of skills they already know that they can offer as a service, and there are countless more practical everyday skills they can learn. *Real Service* is a handbook for service-oriented submissives and the people they serve, providing techniques to help a service relationship function smoothly, and suggestions for service that can be offered.

The Boy Who Harnessed the Wind William Kamkwamba 2015-02-05 Now a Netflix film starring and directed by Chiwetel Ejiofor, this is a gripping memoir of survival and perseverance about the heroic young inventor who brought electricity to his Malawian village. When a terrible drought struck William Kamkwamba's tiny village in Malawi, his family lost all of the season's crops, leaving them with nothing to eat and nothing to sell. William began to explore science books in his village library, looking for a solution. There, he came up with the idea that would change his family's life forever: he could build a windmill. Made out of scrap metal and old bicycle parts, William's windmill brought electricity to his home and helped his family pump the water they needed to farm the land. Retold for a younger audience, this exciting memoir shows how, even in a desperate situation, one boy's brilliant idea can light up the world. Complete with photographs, illustrations, and an epilogue that will bring readers up to date on William's story, this is the perfect edition to read and share with the whole family.

Black Rose Nora Roberts 2014 Roz, a wealthy and independent woman who believes that love is behind her, is surprised when unexpected romance comes into her life.

Prince of Thorns Mark Lawrence 2011-08-02 BOOK ONE IN THE BROKEN EMPIRE TRILOGY "Prince of Thorns deserves attention as the work of an iconoclast who seems determined to turn that familiar thing, Medieval Fantasy Trilogy, entirely on its head."—Locus When he was nine, he watched as his mother and brother were killed before him. By the time he was thirteen, he was the leader of a band of bloodthirsty thugs. By fifteen, he intends to be king... It's time for Prince Honourous Jorg Ancrath to return to the castle he turned his back on, to take what's rightfully his. Since the day he hung pinned on the thorns of a briar patch and watched Count Renar's men slaughter his mother and young brother, Jorg has been driven to vent his rage. Life and death are no more than a game to him—and he has nothing left to lose. But treachery awaits him in his father's castle. Treachery and dark magic. No matter how fierce his will, can one young man conquer enemies with power beyond his imagining?

We Yevgeny Zamyatin 2013-01-15 Yevgeny Zamyatin's *We* is set in an urban glass city called OneState, regulated by spies and secret police. Citizens of the tyrannical OneState wear identical clothing and are distinguished only by the number assigned to them at birth. The story follows a man called D-503, who dangerously begins to veer from the 'norms' of society after meeting I-330, a woman who defies the rules. D-503 soon finds himself caught up in a secret plan to destroy OneState and liberate the city. The failed utopia of *We* has been compared to the works of H.G. Wells, George Orwell, and Aldous Huxley. It was the first novel banned by the Soviets in 1921, and was finally published in its home country over a half-century later. *We* is a part of Momentum's Classic Science Fiction series. "The best single work of science fiction yet written." — Ursula K. Le Guin

Heart Song V.C. Andrews 2011-02-08 Melody Logan was as alone as a solitary gull, with only the wild Atlantic wind to lift her spirits... When Melody Logan's mother died in a car accident, Melody lost the last shred of family she had ever known. She was practically a stranger to the Logans, her wealthy relatives on Cape Cod, where she now drifted on a sea of dark secrets. In the eyes of gentle Aunt Sara, Melody was a replacement for her dead daughter, while for Uncle Jacob she was a reminder of the family's shameful past. Only good-hearted Cary seemed to care, and since it was revealed that she and Cary weren't truly cousins, the affection that had always surged between them now crested in thrilling waves. But Melody knew she could never truly echo Cary's loving promises until she discovered her own buried identity. Despite Grandma Olivia's daggerlike threats, Melody sought out Belinda, a mysterious, half-crazy woman who was her real grandmother. Belinda gave Melody hope -- and a glimmer of the pearls of truth she knew were hidden in the shifting Cape Cod sands. Somehow, someday, the story of her past would be her hard-won treasure, to be savored in a world of sunshine and happiness...where she truly belonged.
