Our digital library saves in multiple countries, allowing you to get the most less latency time to download any of our books like this one. Merely said, the The Machine Stops Penguin Mini Modern Classics is universally compatible with any devices to read

Chess Stefan Zweig 2011-02-15 '... a human being, an intellectual human being who constantly bends the entire force of his mind on the ridiculous task of forcing a wooden king into the corner of a wooden board, and does it without going mad!' A group of passengers on a cruise ship challenge the world chess champion to a match. At first, they crumble, until they are helped by whispered advice from a stranger in the crowd - a man who will risk everything to win. Stefan Zweig's acclaimed novella Chess is a disturbing, intensely dramatic depiction of obsession and the price of genius.

King John Berger 2012-11-07 In this book you will be led to a place you haven't been, from where few stories come. You will be led by King, a dog--or is he a dog?--to a wasteland beside the highway called Saint Valéry. Here, at the end of the twentieth century, among smashed trucks, old boilers, and broken washing machines, live Liberto, Malak, Jack, Corinna, Danny, Anna, Joachim, Saul, Alfonso, and Vico and Vica. Listen to King's voice as he tells a different kind of story: twenty-four hours pass and lives are lived. It is good to have survived another winter, for now it is spring, when the nights, though cold, are no longer harsh enough to kill. The wet season is over, and with it the hopelessness of damp. Today the sun will shine: of what else will the day be made? King is at once a furious homage to the homeless and a lyrical meditation on language and experience. The bitter yet celebratory prose speaks to us all.

The Queen's Necklace Italo Calvino 2011-02-15 'The inspector ordered that the bird be searched. One of the agents stalled saying it made him feel sick, and after some fierce pecking another withdrew sucking a bleeding finger.' In these two stories from an inventive, comic master of the form, old friends and friendly rivals Pietro and Tommaso discover a treasure lost by the side of the road, and become suspected of a using a blameless chicken for devious ends. Italo Calvino's writing explores the fringes of these small, unusual scenes and finds incalculable wisdom and humour there. This book contains The Queen's Necklace and The Workshop Hen.

The Time Machine Illustrated H G Wells 2020-07-08 The Time Machine is a science fiction novella by H. G. Wells, published in 1895 and written as a frame narrative. The work is generally credited with the popularization of the concept of time travel by using a vehicle or device to travel purposely and selectively forward or backward through time. The term "time machine", coined by Wells, is now almost universally used to refer to such a vehicle or device.

The Phantom Tollbooth Norton Juster 1996 A journey through a land where Milo learns the importance of words and numbers provides a cure for his boredom.

A Fairly Honourable Defeat Iris Murdoch 1970

Bluebeard Angela Carter 2011-02-15 'Curiosity is the most fleeting of pleasures; the moment is satisfied, it ceases to exist and it always proves very, very expensive.' Angela Carter's playful and subversive retellings of Charles Perrault's classic fairy tales conjure up a world of resourceful women, black-hearted villains, wily animals and incredible transformations. In these seven stories, bristling with frank, earthy humour and gothic imagination, nothing is as it seems. This book includes Bluebeard, Little Red Riding Hood, Puss in Boots, The Sleeping Beauty of the Wood, Cinderella: or, The Glass Slipper, Ricky with the Tuft and The Foolish Wishes.

Mark Z. Danielewski's House of Leaves Mark Z. Danielewski 2000 A family relocates to a small house on Ash Tree Lane and discovers that the inside of their new home seems to be without boundaries

The Last Demon Isaac Bashevis Singer 2011-02-15 Nobel Prize-winner Isaac Bashevis Singer is best remembered for his short stories, which drew on traditions of folk tales and Yiddish culture to explore good and evil, passion and restraint, religious fervour and personal failings with wisdom, wit and humanity. The three collected here, about a girl who pretends to be a man to study the Torah, a frustrated demon and a writer trying to understand a Holocaust survivor, illuminate eternal themes with supernatural grace.

Nineteen Eighty-Four George Orwell 2021-01-09 "Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

The Hill of Devi E. M. Forster 1988

The Lady in the Looking Glass Virginia Woolf 2011-02-15 'People should not leave looking-glasses hanging in their rooms any more than they should leave open cheque books or letters confessing some hideous crime.' 'If she concealed so much and knew so much one must prize her open with the first tool that came to hand - the imagination.' Virginia Woolf's writing tested the boundaries of modern fiction, exploring the depths of human consciousness and creating a new language of sensation and thought. Sometimes impressionistic, sometimes experimental, sometimes brutally cruel, sometimes surprisingly warm and funny, these five stories describe love lost, friendships formed and lives questioned. This book includes The Lady in the Looking Glass, A Society, The Mark on the Wall, Solid Objects and Lappin and Lapinova.

Giovanni's Room James Baldwin 2016-02-04 'Until I die there will be those moments, moments seeming to rise up out of the ground like Macbeth's witches, when his face will come before me, that face in all its changes, when the exact timbre of his voice and tricks of his speech will nearly burst my ears, when his smell will overpower my nostrils...' Giovanni's Room is set in the Paris of the 1950s, where a young American expatriate finds himself caught between his repressed desires and conventional morality. David has just proposed marriage to his American girlfriend, but while she is away on a trip he becomes involved in a doomed affair with a bartender named Giovanni. With sharp, probing insight, James Baldwin's classic narrative delves into the mystery of love and tells an impassioned, deeply moving story that reveals the unspoken complexities of the human heart.

Moon Lake Eudora Welty 2011-02-15 Watch out for the mosquitoes, they called to one another, lyrically because warning wasn't any use anyway, as they walked out of their kimonos and dropped them like the petals of one big scattered flower on the bank behind them, and exposing themselves felt in a hundred places at once the little pangs. Moon Lake is the story of a summer camp in Mississippi, a surly lifeguard, a rebellious orphan girl, and the fateful day when they learn the secrets of life and death. Pulitzer Prize-winner Eudora Welty's extraordinary short story is a lushly atmospheric and acutely observed portrayal of the strange, surreal time between childhood and adulthood.

Raising Demons Shirley Jackson 2015-05-05 In the uproarious sequel to Life Among the Savages, the author of The Haunting of Hill House confronts the most vexing demons yet: her children In the long out-of-print sequel to Life Among the Savages, Jackson's four children have grown from savages into full-fledged demons. After bursting the seams of their first house, Jackson's clan moves into a larger home. Of course, the chaos simply moves with them. A confrontation with the IRS, Little League, trumpet lessons, and enough clutter to bury her alive—Jackson spins them all into an indelible reminder that every bit as thrilling as a murderous family in a haunted house is a happy family in a new home.

The Daily Show (The Book) Chris Smith 2016-11-22 NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of

some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Babylon Revisited F Scott Fitzgerald 2011-02-15 'But it hadn't been given for nothing. It had been given, even the most wildly squandered sum, as an offering to destiny that he might not remember the things most worth remembering, the things that he would now always remember' F. Scott Fitzgerald's stories defined the 1920s 'Jazz Age' generation, with their glittering dreams and tarnished hopes. In these three tales of a fragile recovery, a cut-glass bowl and a life lost, Fitzgerald portrays, in exquisite prose and with deep human sympathy, the idealism of youth and the ravages of success. This book includes *Babylon Revisited*, *The Cut-Glass Bowl* and *The Lost Decade*.

Him With His Foot in His Mouth Saul Bellow 2011-02-15 'We were friends, somehow. But in the end, somehow, he intended to be a mortal enemy. All the while that he was making the gestures of a close and precious friend he was fattening my soul in a coop till it was ready for killing.' Vital, exuberant, streetwise and philosophizing, Nobel Prize winner Saul Bellow is one of the undisputed masters of American prose. In this inspired novella an ageing man writes an apology for his rudeness to a librarian thirty-five years earlier, unleashing a dazzling, rancorous comic riff on growing old, regret, rudeness, smoking and 'the world's grandeur'.

A Breath of Lucifer R. K. Narayan 2011-02-15 These haunting tales from India's foremost storyteller, set in the fictional town of Malgudi, are filled with characters from every walk of life. Avaricious merchants, fleshy harlots, foolhardy teachers, beggars and rogues are all observed in minute detail, their stories told with great compassion, wisdom and wry, mischievous humour.

Economics of Good and Evil Tomas Sedlacek 2011-07-01 Tomas Sedlacek has shaken the study of economics as few ever have. Named one of the "Young Guns" and one of the "five hot minds in economics" by the Yale Economic Review, he serves on the National Economic Council in Prague, where his provocative writing has achieved bestseller status. How has he done it? By arguing a simple, almost heretical proposition: economics is ultimately about good and evil. In *The Economics of Good and Evil*, Sedlacek radically rethinks his field, challenging our assumptions about the world. Economics is touted as a science, a value-free mathematical inquiry, he writes, but it's actually a cultural phenomenon, a product of our civilization. It began within philosophy--Adam Smith himself not only wrote *The Wealth of Nations*, but also *The Theory of Moral Sentiments*--and economics, as Sedlacek shows, is woven out of history, myth, religion, and ethics. "Even the most sophisticated mathematical model," Sedlacek writes, "is, de facto, a story, a parable, our effort to (rationally) grasp the world around us." Economics not only describes the world, but establishes normative standards, identifying ideal conditions. Science, he claims, is a system of beliefs to which we are committed. To grasp the beliefs underlying economics, he breaks out of the field's confines with a tour de force exploration of economic thinking, broadly defined, over the millennia. He ranges from the epic of Gilgamesh and the Old Testament to the emergence of Christianity, from Descartes and Adam Smith to the consumerism in *Fight Club*. Throughout, he asks searching meta-economic questions: What is the meaning and the point of economics? Can we do ethically all that we can do technically? Does it pay to be good? Placing the wisdom of philosophers and poets over strict mathematical models of human behavior, Sedlacek's groundbreaking work promises to change the way we calculate economic value.

Mini Modern Classics PENGUIN CLASSICS 2011-02 A set of 50 fascinating, disturbing, moving or funny short books published in an appealing new format to celebrate the 50th anniversary of Penguin Modern Classics

The Machine Stops E. M. Forster 2011-02 E.M. Forster is best known for his exquisite novels, but these two affecting short stories brilliantly combine the fantastical with the allegorical. In 'The Machine Stops', humanity has isolated itself beneath the ground, enmeshed in automated comforts, and in 'The Celestial Omnibus' a young boy takes a trip his parents believe impossible.

Children on Their Birthdays Truman Capote 2011-02-01 '...We were sitting on the porch, tutti-frutti melting on our plates, when suddenly, just as we were wishing that something would happen, something did; for out of the red road dust appeared Miss Bobbit.' Truman Capote's bewitching short stories, many of which were set in the Deep South of his youth, are among his finest works. Perceptive, sensitive and eloquent, filled with brooding atmosphere and gorgeous description, these three stories tell of genteel eccentrics, evocative childhood memories and a malevolent nocturnal meeting. This book includes *Children on Their Birthdays*, *A Christmas Memory* and *A Tree of Night*.

A Modern Utopia Herbert George Wells 1904

The Machine Stops, the Celestial Omnibus, and Other Stories E. M. Forster 2013-10 *The Machine Stops, The Celestial Omnibus, and Other Stories* is a collection of short stories from E. M. Forster, who is perhaps best known for his novels *Howards End* and *A Room with a View*. Included in the collection is *The Machine Stops*, a science fiction story that predicted the internet, video conferencing, and instant messaging. Forster, who deplored science fiction, wrote the story in response to an optimistic depiction of the future by H. G. Wells. The story is one of the earliest examples of dystopian science fiction. Also included is *The Story of a Panic*, the first story Forster ever wrote.

One Hundred Years of Solitude Gabriel Garcia Marquez 2003-06-24 One of the 20th century's enduring works, *One Hundred Years of Solitude* is a widely beloved and acclaimed novel known throughout the world, and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendia family. It is a rich and brilliant chronicle of life and death, and the tragicomedy of humankind. In the noble, ridiculous, beautiful, and tawdry story of the Buendia family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility -- the variety of life, the endlessness of death, the search for peace and truth -- these universal themes dominate the novel. Whether he is describing an affair of passion or the voracity of capitalism and the corruption of government, Gabriel García Márquez always writes with the simplicity, ease, and purity that are the mark of a master. Alternately reverential and comical, *One Hundred Years of Solitude* weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an accounting of the history of the human race.

Interrogating Boundaries of the Nonhuman Matthias Stephan 2022-05-23 This collection asks whether literary works that interrogate and alter the terms of human-nonhuman relations can point to new, more sustainable ways forward.

The Ticket That Exploded William S. Burroughs 2011-02-24 In *The Ticket That Exploded*, William S. Burroughs's grand "cut-up" trilogy that starts with *The Soft Machine* and continues through *Nova Express* reaches its climax as inspector Lee and the Nova Police engage the Nova Mob in a decisive battle for the planet. Only Burroughs could make such a nightmare vision of scientists and combat troops, of ad men and con men whose deceitful language has spread like an incurable disease be at once so frightening and so enthralling.

To Be a Machine Mark O'Connell 2017-02-28 "This gonzo-journalistic exploration of the Silicon Valley techno-utopians' pursuit of escaping mortality is a breezy romp full of colorful characters." --New York Times Book Review (Editor's Choice) Transhumanism is a movement pushing the limits of our bodies--our capabilities, intelligence, and lifespans--in the hopes that, through technology, we can become something better than ourselves. It has found support among Silicon Valley billionaires and some of the world's biggest businesses. In *To Be a Machine*, journalist Mark O'Connell explores the staggering possibilities and moral quandaries that present themselves when you of think of your body as a device. He visits the world's foremost cryonics facility to witness how some have chosen to forestall death. He discovers an underground collective of biohackers, implanting electronics under their skin to enhance their senses. He meets a team of scientists urgently investigating how to protect mankind from artificial superintelligence. Where is our obsession with technology leading us? What does the rise of AI mean not just for our offices and homes, but for our humanity? Could the technologies we create to help us eventually bring us to harm? Addressing these questions, O'Connell presents a profound, provocative, often laugh-out-loud-funny look at an influential movement. In investigating what it means to be a machine, he offers a surprising meditation on what it means to be human.

The Machine Stops Illustrated E M Forster 2021-04-02 ""The Machine Stops"" is a science fiction short story (12,300 words) by E. M. Forster. After initial publication in *The Oxford and Cambridge Review* (November 1909), the story was republished in Forster's *The Eternal Moment and Other Stories* in 1928. After being voted one of the best novellas up to 1965, it was included that same year in the populist anthology *Modern Short Stories*. [1] In 1973 it was also included in *The Science Fiction Hall of Fame, Volume Two*. The story, set in a world where humanity lives underground and relies on a giant machine to provide its needs, predicted technologies such as instant messaging and the Internet."

The Judgement and in the Penal Colony Franz Kafka 1996-03

Hell Screen ("Jigoku Hen") and Other Stories 1971 There can be no doubt that [Akutagawa] had more individuality than any other writer of his time and has left in Japanese literature a mass of artistic work, often grotesque and curious, that, while it undoubtedly

angers the proletarian experimenters who now hold the stage and fight with lusty pens and a highly developed class consciousness against all that he stood for, will continue to live as long as men go on treasuring the fancies their fellows from time to time set down with care on paper.--Glen W. Shaw

How to Stop Time Matt Haig 2018-02-06 From the New York Times bestselling author of *The Midnight Library*. "A quirky romcom dusted with philosophical observations...A delightfully witty..poignant novel." -The Washington Post "She smiled a soft, troubled smile and I felt the whole world slipping away, and I wanted to slip with it, to go wherever she was going... I had existed whole years without her, but that was all it had been. An existence. A book with no words." Tom Hazard has just moved back to London, his old home, to settle down and become a high school history teacher. And on his first day at school, he meets a captivating French teacher at his school who seems fascinated by him. But Tom has a dangerous secret. He may look like an ordinary 41-year-old, but owing to a rare condition, he's been alive for centuries. Tom has lived history--performing with Shakespeare, exploring the high seas with Captain Cook, and sharing cocktails with Fitzgerald. Now, he just wants an ordinary life. Unfortunately for Tom, the Albatross Society, the secretive group which protects people like Tom, has one rule: Never fall in love. As painful memories of his past and the erratic behavior of the Society's watchful leader threaten to derail his new life and romance, the one thing he can't have just happens to be the one thing that might save him. Tom will have to decide once and for all whether to remain stuck in the past, or finally begin living in the present. *How to Stop Time* tells a love story across the ages--and for the ages--about a man lost in time, the woman who could save him, and the lifetimes it can take to learn how to live. It is a bighearted, wildly original novel about losing and finding yourself, the inevitability of change, and how with enough time to learn, we just might find happiness. Soon to be a major motion picture starring Benedict Cumberbatch.

Asymmetry Lisa Halliday 2018-02-06 A TIME and NEW YORK TIMES TOP 10 BOOK OF the YEAR * New York Times Notable Book and Times Critic's Top Book of 2018 NAMED ONE OF THE BEST BOOKS OF 2018 BY * Elle * Bustle * Kirkus Reviews * Lit Hub* NPR * O, The Oprah Magazine * Shelf Awareness The bestselling and critically acclaimed debut novel by Lisa Halliday, hailed as "extraordinary" by The New York Times, "a brilliant and complex examination of power dynamics in love and war" by The Wall Street Journal, and "a literary phenomenon" by The New Yorker. Told in three distinct and uniquely compelling sections, *Asymmetry* explores the imbalances that spark and sustain many of our most dramatic human relations: inequities in age, power, talent, wealth, fame, geography, and justice. The first section, "Folly," tells the story of Alice, a young American editor, and her relationship with the famous and much older writer Ezra Blazer. A tender and exquisite account of an unexpected romance that takes place in New York during the early years of the Iraq War, "Folly" also suggests an aspiring novelist's coming-of-age. By contrast, "Madness" is narrated by Amar, an Iraqi-American man who, on his way to visit his brother in Kurdistan, is detained by immigration officers and spends the last weekend of 2008 in a holding room in Heathrow. These two seemingly disparate stories gain resonance as their perspectives interact and overlap, with yet new implications for their relationship revealed in an unexpected coda. A stunning debut from a rising literary star, *Asymmetry* is "a transgressive roman a clef, a novel of ideas, and a politically engaged work of metafiction" (The New York Times Book Review), and a "masterpiece" in the original sense of the word" (The Atlantic). Lisa Halliday's novel will captivate any reader with while also posing arresting questions about the very nature of fiction itself.

The Soft Machine William S. Burroughs 2011-02-24 In *Naked Lunch*, William S. Burroughs revealed his genius. In *The Soft Machine* he begins an adventure that will take us even further into the dark recesses of his imagination, a region where nothing is sacred, nothing taboo. Continuing his ferocious verbal assault on hatred, hype, poverty, war, bureaucracy, and addiction in all its forms, Burroughs gives us a surreal space odyssey through the wounded galaxies in a book only he could create.

Filboid Studge, the Story of a Mouse that Helped Saki 2011-02-15 'Three weeks later the world was advised of the coming of a new breakfast food, heralded under the resounding name of 'Filboid Studge'' H.H. Munro, better known by his pen name, Saki, wrote wickedly comic satires of upper-class Edwardian life. These seven short stories are macabre and extremely funny: they include a cat that is regrettably taught to speak, a vicious pet ferret worshipped as a god, a businessman triumphantly selling an unpalatable breakfast mush, and many dark twists and barbs. This book includes *Filboid Studge, a Story of a Mouse That Helped, Todermorey, Mrs. Packetide's Tiger, Sredni Vashtar, The Music on the Hill, The Recessional and The Cobweb.*

Rich in Russia John Updike 2011-02-15 In these two short stories, Updike's brilliant observational acuity is matched by a light, comic touch. The writer Henry Bech travels to Europe on a hapless cultural exchange, first to Russia, where he struggles to spend his money when everything - from his meals to his bugged hotel room - is already paid for, and then to Rumania.

Selected Stories E. M. Forster 2001-03-01 Although he is best known for his novels-several of which have been made into popular movies-E.M. Forster also published stories. This volume, which collects those stories published during Forster's lifetime, provides an opportunity for readers to discover these less familiar works. Rich in irony and alive with sharp observations on the surprises life holds, the stories often feature violent events, discomfiting coincidences, and other disruptive happenings that throw the characters' perceptions and beliefs off balance. In their keen Introduction, David Leavitt and Mark Mitchell discuss Forster's place in both the short-story tradition and in the tradition of gay literature. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Hell Screen Ryunosuke Akutagawa 2011-02-15 'He had the Ten Kings of Hell and their minions over in one small corner, and everything else - the entire screen - was enveloped in a firestorm so terrible you thought the swirling flames were going to melt the mountain of Sabres and the Forest of Swords.' One of the towering figures of modern Japanese writing, Akutagawa's early career was distinguished by imaginative, beautifully crafted stories of medieval Japan, rich with period detail. These two stories include his great masterpiece of that period, 'Hell Screen', and the parable of a thread-thin chance of escape for a sinner in the Pool of Blood. This book includes *Hell Screen and The Spider Thread.*

'They' Rudyard Kipling 2011-02-15 'Of a sudden I realized that he was in the grip of some almost overpowering fear.' Rudyard Kipling is best known for his novels and poetry, but his short stories reveal a far more sinister and macabre side to his imagination. In these three chilling and psychologically penetrating tales, Kipling portrays hauntings, loss, madness, terrible secrets and the darkness that lies within the human heart. This book includes 'They', *Mary Postgate and The Gardener.*
