It is your utterly own times to behave reviewing habit. along with guides you could enjoy now is The Traders War The Clan Corporate And The Merchants War Merchant Princes Omnibus 2 below.

**The Traders' War** Charles Stross 2014-01-07 **The Traders' War** -- an omnibus edition of the third and fourth novels in Charles Stross's Merchant Princes series. Miriam was an ambitious business journalist in Boston. Until she was fired—then discovered, to her shock, that her lost family comes from an alternate reality. And although some of them are trying to kill her, she won't stop digging up secrets. Now that she knows she's inherited the family ability to walk between worlds, there's a new culture to explore. Her alternate home seems located around the Middle Ages, making her world-hopping relatives top dogs when it comes to "importing" guns and other gadgets from modern-day America. Payment flows from their services to U.S. drug rings—after all, world-skipping drug runners make great traffickers. In a land where women are property, she struggles to remain independent. Yet her outside ways won't be tolerated, and a highly political arranged marriage is being brokered behind her back. If she can stay alive for long enough to protest. "These books are immense fun."—Lucus At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**The Bloodline Feud** Charles Stross 2014-01-07 **The Bloodline Feud**: an omnibus edition of the first two novels in Charles Stross's The Merchant Princes series The six families of the Clan rule the kingdom of Gruinmarkt from behind the scenes. They are a mixture of nobility and criminal conspirators whose power to walk between their world and ours makes them rich in both. Miriam, a hip tech journalist from Boston, discovers her alternate-world relatives with explosive results that shake three worlds. Now, as the prodigal Countess Helge Thorold-Hjorth, she finds herself ensnared in schemes and plots centuries in the making. She is surrounded by unlikely allies, lethal contraband, and—most dangerous of all—her family. To avoid a slippery slope down to an unmarked grave, Miriam must build a power base of her own—with unexpected consequences for three different time lines, including the quasi-Victorian one exploited by the hidden family. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**Hoosiers and the American Story** Madison, James H. 2014-10-01 A supplemental textbook for middle and high school students, **Hoosiers and the American Story** provides intimate views of individuals and places in Indiana set within themes from American history. During the frontier days when Americans battled with and exiled native peoples from the East, Indiana was on the leading edge of America's westward expansion. As waves of immigrants swept across the Appalachians and eastern waterways, Indiana became established as both a crossroads and as a vital part of Middle America. Indiana's stories illuminate the history of American agriculture, wars, industrialization, ethnic conflicts, technological improvements, political battles, transportation networks, economic shifts, social welfare initiatives, and more. In so doing, they elucidate large national issues so that students can relate personally to the ideas and events that comprise American history. At the same time, the stories shed light on what it means to be a Hoosier, today and in the past.

**The Anarchy** William Dalrymple 2020-11-12 **THE TOP 5 SUNDAY TIMES BESTSELLER ONE OF BARACK OBAMA'S BEST BOOKS OF 2019 THE TIMES HISTORY BOOK OF THE YEAR FINALIST FOR THE CUNDILL HISTORY PRIZE 2020 LONGLISTED FOR THE BAILLIE GIFFORD PRIZE FOR NON-FICTION 2019 A FINANCIAL TIMES, OBSERVER, DAILY TELEGRAPH, WALL STREET JOURNAL AND TIMES BOOK OF THE YEAR** 'Dalrymple is a superb historian with a visceral understanding of India ... A book of beauty' — Gerard DeGroot, The Times In August 1765 the East India Company defeated the young Mughal emperor and forced him to establish a new administration in his richest provinces. Run by English merchants who collected taxes using a ruthless private army, this new regime saw the East India Company transform itself from an international trading corporation into something much more unusual: an aggressive colonial power in the guise of a multinational business. William Dalrymple tells the remarkable story of the East India Company as it has never been told before, unfolding a timely cautionary tale of the first global corporate power.

**Empire Games** Charles Stross 2017-01-17 Charles Stross builds a new series with **Empire Games**, expanding on the world he created in the **Family Trade** series, a new generation of paratime travellers walk between parallel universes. The year is 2020. It's seventeen years since the Revolution overthrew the last king of the New British Empire, and the newly-reconstituted North American Commonwealth is developing rapidly, on course to defeat the French and bring democracy to a troubled world. But Miriam Burgeson, commissioner in charge of the shadowy Ministry of Intertemporal Research and Intelligence—the paratime espionage agency tasked with catalyzing the Commonwealth's great leap forward—has a problem. For years, she's warned everyone: "The Americans are coming." Now their drones arrive in the middle of a succession crisis. In another timeline, the U.S. has recruited Miriam's own estranged daughter to spy across timelines in order to bring down any remaining world-walkers who might threaten national security. Two nuclear superpowers are set on a collision course. Two increasingly desperate paratime espionage agencies try to find a solution to the first contact problem that doesn't result in a nuclear holocaust. And two women—a mother and her long-lost daughter—are about to find themselves on opposite sides of the confrontation. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**Prominent Families of New York** Lyman Horace Weeks 1898

**The Post Civil War Somali Business Class** Roland Marchal 1996

**The Traders' War**: The Merchant Princes Books 3 and 4 Charles Stross 2013-05-01 Includes Book 3 - The Merchants War and Book 4 - The Clan Corporate For one ex-journalist, the nightmare has just begun. Miriam Beckstein has said goodbye to her comfort zone, and the transition from journalist to captive in an alternative timeline was challenging to say the least. As was discovering her long-lost family, the Clan, were world-skipping assassins. Now civil war rages in her adopted home, she's pregnant with the heir to their throne and a splinter-group want her on their side of a desperate power struggle. But as a leader or figurehead? Meanwhile, unknown to the Clan, the US government is on to them and preparing to exploit this knowledge. But it hadn't foreseen a dissident Clan faction carrying nuclear devices between worlds - with the US President in their sights. The War on Terror is about to go transdimensional. But Mike Fleming, CIA agent, knows the most terrifying secret of all. His government's true intentions.

**The Roman Clan C.** J. Smith 2006-03-09 Publisher description

**Things Fall Apart** Chinua Achebe 2013-04-25 Okonkwo is the greatest warrior alive, famous throughout West Africa. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. Chinua Achebe's stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in *Arrow of God* and *No Longer at Ease*.

**The Proudest Day** Anthony Read 1999-07 A riveting account of the end of the Raj—the most romantic of all the great empires—told in compelling and colorful detail by the authors of "The Deadly Embrace" and "The Fall of Berlin." of photos.

**Slavery and the British Country House** Andrew Hann 2013 In 2007 English Heritage commissioned initial research into links with transatlantic slavery or its abolition amongst families who owned properties now in its care. This was part of the commitment by English Heritage to commemorate the bicentenary of the abolition of the British transatlantic slave trade with work that would make a real difference to our understanding of the historic environment in the longer term. The research findings and those of other scholars and heritage practitioners were presented at the 'Slavery and the British Country House' conference which brought together academics, heritage professionals, country house owners and community researchers from across Britain to explore how country houses might be reconsidered in the light of their slavery linkages and how such links have been and might be presented to visitors. Since then the conference papers have been updated and reworked into a cutting edge volume which represents the most current and comprehensive consideration of slavery and the British country house as yet undertaken.

**The Family Trade** Charles Stross 2005-05 Believing she has found a career-making story when she stumbles upon a money-laundering scheme, reporter Miriam Beckstein is shocked when she is fired and threatened with death, a situation that turns increasingly bizarre when she learns the fate of her murdered mother and is transported to a parallel earth where her family rules a powerful kingdom. Reprint.

**Daji's Book (Circle of Magic #3)** Tamora Pierce 2011-09-01 The third book in the Circle of Magic series by Tamora Pierce.

**Code Talker** Joseph Bruchac 2006 Using their native language, the Navajo Marines played an invaluable part in World War II as they sent messages, did maneuvers, and completed tasks with words that couldn't be deciphered by the enemy. Reprint.

**The Revolution Trade** Charles Stross 2014-01-07 **The Revolution Trade**: an omnibus edition of the fifth and sixth novels--The Revolution Business and Trade of Queens--in Charles Stross's Merchant Princes series. Miriam Beckstein has said good-bye to her comfort zone. The transition from journalist to captive in an alternative timeline was challenging to say the least, she discovered that her long-lost family, the Clan, were world-skipping assassins. Now, while civil war rages in her adopted home, she's pregnant with the heir to their throne and a splinter group want her on their side of a desperate power struggle. But as a leader or figurehead? Meanwhile, unknown to the Clan, the US government is on to them and preparing to exploit this knowledge. But it hadn't foreseen a dissident Clan faction carrying nuclear devices between worlds—with the US president in their sights. The War on Terror is about to go transdimensional. But Mike Fleming, CIA agent, knows the most terrifying secret of all: His government's true intentions. "These books are immense fun."—Lucus At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**The McGillivray and McIntosh Traders: On the Old Southwest Frontier, 1716-1815** Amos J. Wright 2007-02 Amos Wright unveils exhaustive research following two extended Scottish clans as they made their way across the ocean to the American frontier. Once they arrived, the two families made an impact on the colonials, the British, the French, the Spanish, and the American Indians. Some of the Scots were ambitious traders, some were representatives for the Indians, some were warriors, and one ended up as a chief. This annotated history delves into the harsh and often violent lives of Scottish traders living on the frontier of colonial America.

**Ship of Destiny** Robin Hobb 2003-12-30 "A truly extraordinary saga. . . The characterizations are consistently superb, and [Hobb] animates everything with love for and knowledge of the sea."—Booklist As Binstown slides toward disaster, clan matriarch Ronica Vestrit, branded a traitor, searches for a way to bring the city's inhabitants together against a momentous threat. Meanwhile, Althea Vestrit, unaware of what has befallen Binstown and her family, continues her perilous quest to track down and recover her livelihood, the Vivacia, from the ruthless pirate Kennit. Bold though it is, Althea's scheme may be in vain. For her beloved Vivacia will face the most terrible confrontation of all as the secret of the livelihoods is revealed. It is a truth so shattering, it may destroy the Vivacia and all who love her, including Althea's nephew, whose life already hangs in the balance. Praise for Robin Hobb and the *Liveship Traders* Trilogy "Fantasy as it ought to be written. . . Robin Hobb's books are diamonds in a sea of zircons."—George R. R. Martin "A major work of high fantasy, reading like a cross between Tolkien and Patrick O'Brian. . . one of the finest fantasy sagas to bridge the millennium."—Publishers Weekly "Rich, complex. . . [Hobb's] plotting is complex but tightly controlled, and her descriptive powers match her excellent visual imagination. But her chief virtue is that she delineates character extremely well."—*Interzone*

**Invisible Sun** Charles Stross 2021-09-28 The alternate timelines of Charles Stross' *Empire Games* trilogy have never been so entangled than in *Invisible Sun*—the techno-thriller follow up to *Dark State*—as stakes escalate in a conflict that could spell extermination for humanity across all known timelines. An inter-timeline coup d' état gone awry. A renegade British monarch on the run through the streets of Berlin. And robotic alien invaders from a distant timeline flood through a wormhole, wreaking havoc in the USA. Can disgraced worldwarer Rita and her intertemporal extraordinaire agent of a mother neutralize the livewire contention before it's too late? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**When Scotland Was Jewish** Elizabeth Caldwell Hirschman 2015-05-07 The popular image of Scotland is dominated by widely recognized elements of Celtic culture. But a significant non-Celtic influence on Scotland's history has been largely ignored for centuries? This book argues that much of Scotland's history and culture from 1100 forward is Jewish. The authors provide evidence that many of the national heroes, villains, rulers, nobles, traders, merchants, bishops, guild members, burgesses, and ministers of Scotland were of Jewish descent, their ancestors originating in France and Spain. Much of the traditional historical account of Scotland, it is proposed, rests on fundamental interpretive errors, perpetuated in order to affirm Scotland's identity as a Celtic, Christian society. A more accurate and profound understanding of Scottish history has thus been buried. The authors' wide-ranging research includes examination of census records, archaeological artifacts, castle carvings, cemetery inscriptions, religious seals, coinage, burgess and guild member rolls, noble genealogies, family crests, portraiture, and geographic place names.

**The Hidden Family** Charles Stross 2006-05-02 **The Merchant Princes** is a sweeping new series from the hottest new writer in science fiction! The six families of the Clan rule the kingdom of Gruinmarkt from behind the scenes, a mixture of nobility and criminal conspirators whose power to walk between their world and ours makes them rich in both. Braids of family loyalty and intermarriage provide a fragile guarantee of peace, but a recently ended civil war has left the families shaken and suspicious. Miriam, a hip tech journalist from Boston, discovered her alternate-world relatives with explosive results that shook three worlds. Now, as the prodigal Countess Helge Thorold-Hjorth, she finds herself ensnared in schemes and plots centuries in the making. She is surrounded by unlikely allies, lethal contraband, and, most dangerous of all, her family. With her modern American attitudes, she's not sure she can fit in, or if she even wants to, but to stay alive, she really has no choice. To avoid a slippery slope down to an unmarked grave, Miriam must build a power-base of her own. She started applying modern business practices and scientific knowledge to a trade heretofore dominated by medieval mercantilists—with unexpected consequences for three different timelines, including the quasi-Victorian one exploited by the hidden family. Blending the creativity and humor, and the rigor and scope of science-fiction on the grandest scale, Charles Stross has set a new standard for fantasy epics. Charles Stross is one of the big new SF writers of the 21st century, and the saga of *The Merchant Princes* is his most ambitious work yet. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**The Organization of Ancient Economies** Kenneth Hirth 2020-09-30 In this book, Kenneth Hirth provides a comparative view of the organization of ancient and premodern society and economy. Hirth establishes that humans adapted to their environments, not as individuals but in the social groups where they lived and worked out the details of their livelihoods. He explores the variation in economic organization used by simple and complex societies to procure, produce, and distribute resources required by both individual households and the social and political institutions that they supported. Drawing on a wealth of archaeological, historic, and ethnographic information, he develops and applies an analytical framework for studying ancient societies that range from the hunting and gathering groups of native North America, to the large state societies of both the New and Old Worlds. Hirth demonstrates that despite differences in transportation and communication technologies, the economic organization of ancient and modern societies are not as different as we sometimes think.

**The Merchants' War** Charles Stross 2010-11-19 Miriam Beckstein is a young, hip, business journalist in Boston. She discovered in *The Family Trade* and *The Hidden Family* that her family came from an alternate reality, that she was very well-connected, and that her family was too much like the mafia for comfort. She found herself caught in a family trap in *The Clan Corporate* and betrothed to a brain-damaged prince, and then all hell broke loose. Now, in *The Merchants' War*, Miriam has escaped to yet another world and remains in hiding from both the Clan and their opponents. There is a nasty shooting war going on in the Gruinmarkt world of the Clan, and we know something that Miriam does not: something that she's really going to hate—if she lives long enough to find out. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**Born of Lakes and Plains: Mixed-Descent Peoples and the Making of the American West** Anne F. Hyde 2022-02-15 A fresh history of the West grounded in the lives of mixed-descent Native families who first bridged and then collided with racial boundaries. Often overlooked, there is mixed blood at the heart of America. And at the heart of Native life for centuries there were complex households using intermarriage to link disparate communities and create protective circles of kin. Beginning in the seventeenth century, Native peoples—Ojibwes, Ojoes, Cheyennes, Chinooks, and others—formed new families with young French, English, Canadian, and American fur traders who spent months in smoky winter lodges or at boisterous summer rendezvous. These families built cosmopolitan trade centers from Michilimackinac on the Great Lakes to Bellevue on the Missouri River, Bent's Fort in the

southern Plains, and Fort Vancouver in the Pacific Northwest. Their family names are often imprinted on the landscape, but their voices have long been muted in our histories. Anne F. Hyde's pathbreaking history restores them in full. Vividly combining the panoramic and the particular, Born of Lakes and Plains follows five mixed-descent families whose lives intertwined major events: imperial battles over the fur trade; the first extensions of American authority west of the Appalachians; the ravages of imported disease; the violence of Indian removal; encroaching American settlement; and, following the Civil War, the disasters of Indian war, reservations policy, and allotment. During the pivotal nineteenth century, mixed-descent people who had once occupied a middle ground became a racial problem drawing hostility from all sides. Their identities were challenged by the pseudo-science of blood quantum—the instrument of allotment policy—and their traditions by the Indian schools established to erase Native ways. As Anne F. Hyde shows, they navigated the hard choices they faced as they had for centuries: by relying on the rich resources of family and kin. Here is an indelible western history with a new human face.

**The Trade of Queens** Charles Stross 2011-03 After a dissident group carries nuclear devices between worlds and explodes them in Washington, D.C., killing the president, U.S. intelligence agent Mike Fleming discovers that their act was part of a larger conspiracy devised by a faction of the U.S. government. Reprint.

**The Traders' War** Charles Stross 2017-06-29 The Traders' War by Charles Stross includes The Clan Corporate and The Merchants' War, the third and fourth instalments in the spellbinding The Merchant Princes series combined into one volume. The journalistic instinct runs deep - and comes with a fatality warning. Miriam was an ambitious business journalist in Boston. Until she was fired - then discovered, to her shock, that her lost family comes from an alternate reality. And although some of them are trying to kill her, she won't stop digging up secrets. Now that she knows she's inherited the family ability to walk between worlds, there's a new culture to explore. Her alternate home seems located around the Middle Ages, making her world-hopping relatives top dogs when it comes to 'importing' guns and other gadgets from modern-day America. Payment flows from their services to US drug rings - after all, world-skipping drug runners make great traffickers. In a land where women are property, she struggles to remain independent. Yet her outsider ways won't be tolerated, and a highly political arranged marriage is being brokered behind her back. If she can stay alive for long enough to protest. The Traders' War is preceded by The Bloodline Feud omnibus, and followed with the final volume, The Revolution Trade.

**Trader's Leap** Sharon Lee 2020-12-01 NEW ENTRY IN THE LANDMARK LIADEN UNIVERSE® SERIES The only bridge between past and future is a leap of faith. Pursued by enemies, exiled Liaden clan Korval is settling into a new base on backworld Surebleak. Moving is expensive, as is war, and Korval is strapped for cash. Delm Korval has therefore instructed Master Trader Shan yosGalan to design and implement new trade routes, quickly. But this is no easy task. Dutiful Passage is targeted by Korval's enemies, denied docking at respectable ports, and cheated at those less respectable. Struggling to recuperate from an attack on his life, while managing daughter Padi's emerging psychic talents, Shan is running out of options—and time. His quest to establish the all-important trade route puts him at odds with his lifemate, while doubling crew desert the ship. Facing the prospect of failure, Shan accepts the assistance of chancy allies and turns the Passage toward a port only just emerging from Rostov's Dust and awash with strange energies. Without trade, Clan Korval will starve. Will a trader's leap of faith save everything—or doom all? About Dragon in Exile: "[S]prawling and satisfying. . . . Space opera mixes with social engineering, influenced by Regency-era manners and delicate notions of honor. . . . [I]t's like spending time with old friends. . . ."—Publishers Weekly About Necessity's Child: "Compelling and wondrous, as sharp and graceful as Damascus steel. Necessity's Child is a terrific addition to Lee & Miller's addictive series."—Patricia Briggs About the Liaden Universe® series: "I have every Liaden Universe novel ever written on my bookshelf. You should, too."—David Weber "Every now and then you come across an author, or in this case, a pair, who write exactly what you want to read, the characters and personalities that make you enjoy meeting them. . . . I rarely rave on and on about stories, but I am devoted to Lee and Miller novels and stories."—Anne McCaffrey "These authors consistently deliver stories with a rich, textured setting, intricate plotting, and vivid, interesting characters from fully-realized cultures, both human and alien, and each book gets better."—Elizabeth Moon "[D]elightful stories of adventure and romance set in a far future. . . . space opera milieu. It's all a rather heady mix of Gordon R. Dickson, the Forsythe Saga, and Victoria Holt, with Lee and Miller's own unique touches making it all sparkle and sizzle. Anyone whose taste runs toward SF in the true romantic tradition can't help but like the Liaden Universe."—Analog "[T]he many fans of the Liaden universe will welcome the latest. . . . continuing young pilot Theo Waitley's adventures."—Booklist on Sallation "[A]llicionados of intelligent space opera will be thoroughly entertained. . . . [T]he authors' craftsmanship is top-notch."—Publishers Weekly on Lee and Miller's popular Liaden Universe® thriller, I Dare Maine-based writers Sharon Lee and Steve Miller teamed up in the late 1980s to bring the world the story of Kinzel, an inept wizard with a love of cats, a thirst for justice, and a staff of true power. Since then, the husband and wife have written dozens of short stories and twenty plus novels, most set in their star-spanning Liaden Universe®. Before settling down to the serene and stable life of a science fiction and fantasy writer, Steve was a traveling poet, rock-band reviewer, reporter, and editor of a string of community newspapers. Sharon, less adventurous, has been an advertising copywriter, copy editor on night-side news at a small city newspaper, reporter, photographer, and book reviewer. Both credit their newspaper experiences with teaching them the finer points of collaboration. Sharon and Steve passionately believe that reading fiction ought to be fun, and that stories are entertainment. They maintain a web presence at korval.com.

**The Revolution Trade** Charles Stross 2013-06-06 The Revolution Trade by Charles Stross includes The Revolution Business and The Trade of Queens - the final two instalments of the spellbinding The Merchant Princes series combined in one volume. For one ex-journalist, the nightmare has just begun. . . . Miriam Beckstein has said goodbye to her comfort zone. The transition from journalist to captive in an alternative timeline was challenging to say the least. As was discovering her long-lost family, the Clan, were world-skipping assassins. Now civil war rages in her adopted home, she's pregnant with the heir to their throne and a splinter-group want her on their side of a desperate power struggle. But as a leader or figurehead? Meanwhile, unknown to the Clan, the US government is on to them and preparing to exploit this knowledge. But it hadn't foreseen a dissident Clan faction carrying nuclear devices between worlds - with the US President in their sights. The War on Terror is about to go transdimensional. But Mike Fleming, CIA agent, knows the most terrifying secret of all. His government's true intentions. Preceding The Revolution Trade are two previous omnibus volumes, The Bloodline Feud and The Traders' War.

**Trading with the Enemy** Charles Higham 1983

**Somalia - The Untold Story** Judith Gardner 2004 Explores the experiences of women in Somalia and how they have survived the trauma of war.

**Engaging the Enemy** Elizabeth Moon 2006-03-28 "Marvellously compelling. . . . consummate military-adventure science fiction."—SciFi In the aftermath of the cold-blooded assassinations that killed her parents and shattered the Vatta interstellar shipping empire, Kylara Vatta sets out to avenge the killings and salvage the family business. Ky soon discovers a conspiracy of terrifying scope, breathtaking audacity, and utter ruthlessness. The only hope against such powerful evil is for all the space merchants to band together. Unfortunately, because she commands a ship that once belonged to a notorious pirate, Ky is met with suspicion, if not outright hostility. . . . even from her own cousin. Before she can take the fight to the enemy, Kylara must survive a deadly minefield of deception and betrayal. Praise for Engaging the Enemy "A fast-paced space adventure, with a heroine that will captivate readers."—Omaha World-Herald "Excels in character development as well as in its fast-paced action sequences and intricate plotting."—Library Journal "You'll have fun with this one, for Moon keeps things moving."—Analog Astoria Washington Irving 1836 In 1810 John Jacob Astor sent two expeditions to the mouth of the Columbia River to establish a fur flung trade empire based on furs. Three years later his plans were in ruins and his headquarters at Astoria with its huge stock of valuable pelts were in the hands of the British and sold at a great loss to the North West Company. This daring venture was the real opening of the west. An important saga of the Western Fur Trade. John Jacob Astor, supplied Irving with many of the journals and other materials which he used in writing this history.

**Leonardo to the Internet** Thomas J. Misa 2011-05-16 Historian Thomas J. Misa's sweeping history of the relationship between technology and society over the past 500 years reveals how technological innovations have shaped -- and have been shaped by -- the cultures in which they arose. Spanning the preindustrial past, the age of scientific, political, and industrial revolutions, as well as the more recent eras of imperialism, modernism, and global security, this compelling work evaluates what Misa calls "the question of technology." Misa brings his acclaimed text up to date by examining how today's unsustainable energy systems, insecure information networks, and vulnerable global shipping have helped foster geopolitical risks and instability. A masterful analysis of how technology and culture have influenced each other over five centuries, Leonardo to the Internet frames a history that illuminates modern-day problems and prospects faced by our technology-dependent world. Praise for the first edition "Closely reasoned, reflective, and written with insight, grace, and wit, Misa's book takes us on a personal tour of technology and history, seeking to define and analyze paradigmatic techno-cultural eras." -- Technology and Culture "Follows [Thomas] Hughes's model of combining an engaging historical narrative with deeper lessons about technology." -- American Scholar "His case studies, such as that of Italian futurism or the localizations of the global McDonalds, provide good starting points for thought and discussion." -- Journal of Interdisciplinary History "This review cannot do justice to the precision and grace with which Misa analyzes technologies in their social contexts. He convincingly demonstrates the usefulness of his conceptual model." -- History and Technology "A fascinating, informative, and well-illustrated book." -- Choice

**Global Business Regulation** John Braithwaite 2000-02-13 Across an amazing sweep of the critical areas of business regulation - from contract, intellectual property and corporations law, to trade, telecommunications, labour standards, drugs, food, transport and environment - this book confronts the question of how the regulation of business has shifted from national to global institutions. Based on interviews with 500 international leaders in business and government, this book examines the role played by global institutions such as the WTO, the OECD, IMF, Moody's and the World Bank, as well as various NGOs and significant individuals. The authors argue that effective and decent global regulation depends on the determination of individuals to engage with powerful agendas and decision-making bodies that would otherwise be dominated by concentrated economic interests. This book will become a standard reference for readers in business, law, politics and international relations.

**The Revolution Business** Charles Stross 2010-03-22 Things are going badly for the Clan in this SF novel of the Merchant Princes, the immensely popular series by Charles Stross. Locked in a vicious civil war for control over the kingdom of Nijewin, their army is bottled up inside a fortress under siege in two parallel universes at once. Duke Angbard, the Clan's leader, has been laid low by a stroke; plotters are already conspiring in readiness for the deadly dance to come. Miriam, rescued from a tight spot in New Britain, finds the hopes of the young, progressive faction focused on her. But do they want her as a leader or a figurehead? She soon finds herself thrown into a desperate struggle for power. Meanwhile, unbeknownst to the Clan, researchers working for the US government have achieved a technological breakthrough. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**Conflict and Commerce in Maritime East Asia** Xing Hang 2016-01-05 The Zheng family of merchants and militarists emerged from the tumultuous seventeenth century amid a severe economic depression, a harrowing dynastic transition from the ethnic Chinese Ming to the Manchu Qing, and the first wave of European expansion into East Asia. Under four generations of leaders over six decades, the Zheng had come to dominate trade across the China Seas. Their average annual earnings matched, and at times exceeded, those of their fiercest rivals: the Dutch East India Company. Although nominally loyal to the Ming in its doomed struggle against the Manchus, the Zheng eventually forged an autonomous territorial state based on Taiwan with the potential to encompass the family's entire economic sphere of influence. Through the story of the Zheng, Xing Hang provides a fresh perspective on the economic divergence of early modern China from western Europe, its twenty-first-century resurgence, and the meaning of a Chinese identity outside China.

**Dark State** Charles Stross 2018-01-11 Dark State is the second book in a thrilling series - set in the same world as Charles Stross' Merchant Princes series. This book follows Empire Games. The time for peace is ending. . . . In the near future, one America is experiencing its first technological revolution -- whilst in a parallel world, the United States is a hi-tech police state. But both timelines are poised for conflict. Miriam Burgeson's America is heading for civil war. However, a high profile defection might avert this crisis, if only Miriam and her agents can arrange it in time. And Rita Douglas, rival US spy, arrives during this turmoil. Rita's world is rocked when she realizes Miriam is her birth mother, changing her own mission irrevocably. Then her United States discovers yet another parallel earth, and the remains of an advanced society. Something destroyed that civilization, Rita's people are about to rouse it -- and two worlds will face the consequences.

**King Leopold's Ghost** Adam Hochschild 2019-05-14 With an introduction by award-winning novelist Barbara Kingsolver In the late nineteenth century, when the great powers in Europe were tearing Africa apart and seizing ownership of land for themselves, King Leopold of Belgium took hold of the vast and mostly unexplored territory surrounding the Congo River. In his devastatingly barbarous colonization of this area, Leopold stole its rubber and ivory, pummelled its people and set up a ruthless regime that would reduce the population by half. . . . While he did all this, he carefully constructed an image of himself as a deeply feeling humanitarian. Winner of the Duff Cooper Prize in 1999, King Leopold's Ghost is the true and haunting account of this man's brutal regime and its lasting effect on a ruined nation. It is also the inspiring and deeply moving account of a handful of missionaries and other idealists who travelled to Africa and unwittingly found themselves in the middle of a gruesome holocaust. Instead of turning away, these brave few chose to stand up against Leopold. Adam Hochschild brings life to this largely untold story and, crucially, casts blame on those responsible for this atrocity.

**Warriors: Tales from the Clans** Erin Hunter 2014-11-04 Three novellas featuring the cats of Erin Hunter's #1 bestselling Warriors series—together in print for the first time! In Warriors: Tales from the Clans, experience three stand-alone adventures, previously available as individual digital-only titles: Tigerclaw's Fury: Cast out of ThunderClan as a traitor, Tigerclaw will not rest until he has his revenge on Bluestar, Fireheart, and the rest of his former Clanmates. First, though, he must become Tigerstar of ShadowClan. . . . Leafpool's Wish: Leafpool always knew medicine cats weren't meant for love. . . . until she fell for the WindClan warrior Crowfeather. But how will she keep her greatest secret? Dovesing's Silence: In the aftermath of the battle with the Dark Forest, Dovesing's powers have faded—and she struggles to adjust to life as an ordinary warrior.

**Black Hawk Down** Mark Bowden 2010-04-01 Already a classic of war reporting and now reissued as a Grove Press paperback, Black Hawk Down is Mark Bowden's brilliant account of the longest sustained firefight involving American troops since the Vietnam War. On October 3, 1993, about a hundred elite U.S. soldiers were dropped by helicopter into the teeming market in the heart of Mogadishu, Somalia. Their mission was to abduct two top lieutenants of a Somali warlord and return to base. It was supposed to take an hour. Instead, they found themselves pinned down through a long and terrible night fighting against thousands of heavily armed Somalis. The following morning, eighteen Americans were dead and more than seventy had been badly wounded. Drawing on interviews from both sides, army records, audiotapes, and videos (some of the material is still classified), Bowden's minute-by-minute narrative is one of the most exciting accounts of modern combat ever written—a riveting story that captures the heroism, courage, and brutality of battle.
