Nevada Imogen Binnie 2022-06-07 *One of Vogue's Best Books of 2022 So Far, BuzzFeed's Summer Books You Won't Be Able To Put Down, Book Riot's Best Summer Reads for 2022, and Dazed's Queer Books to Read in 2022* "[Nevada] is defiant, terse, not quite cynical, sometimes flip, addressed to people who think they know. It is, if you like, punk rock." —The New Yorker "Nevada is a book that changed my life: it shaped both my worldview and personhood, making me the writer I am. And it did so by the oldest of methods, by telling a wise, hilarious, and gripping story." —Torrey Peters, author of *Transwoman, Baby A* beloved and blistering cult classic and finalist for the Lambda Literary Award for Transgender Fiction finally back in print, Nevada follows a disaffected trans woman as she embarks on a cross-country road trip. Maria Griffiths is almost thirty and works at a used bookstore in New York City while trying to stay true to her punk values. She's in love with her bike but not with her girlfriend, Steph. She takes random pills and drinks more than is good for her, but doesn't inject anything except, when she remembers, estrogen, because she's trans. Everything is mostly fine until Maria and Steph break up, sending Maria into a tailspin, and then onto a cross-country trek in the car she steals from Steph. She ends up in the backwater town of Star City, Nevada, where she meets James, who is probably but not certainly trans, and who reminds Maria of her younger self. As Maria finds herself in the awkward position of trans role model, she realizes that she could become James's savior—or his downfall. One of the most beloved cult novels of our time and a landmark of trans literature, Imogen Binnie's *Nevada* is a blistering, heartfelt, and evergreen coming-of-age story, and a punk-smeared excavation of marginalized life under capitalism. Guided by an instantly memorable, terminally self-aware protagonist—and back in print featuring a new afterword by the author—*Nevada* is the great American road novel flipped on its head for a new generation.

Awesome Edible Kids Crafts Arena Blake 2019-02-05 Easy, Fun and Imaginative Crafts You Can Eat Arena Blake, founder of the blog *The Nerd's Wife*, shares exciting crafts that are made out of your favorite things to eat. Never before has it been more fun to play with your food! Bring out your inner sculptor with Marshmallow Playdough, and engage your artistic side with Coloring Book Cookies or Painted Rainbow Toast. Are you planning a party? Why not make Edible Taffy Balloons to decorate with, or party hats that are fun to wear and tasty to snack on? You can even transform your favorite snacks and treats into zebras, lions, giraffes and more. Each project has a difficulty rating and lets you know if you will need a grownup to help you, making it easy for you to find the perfect project to spark your creativity using safe, nontoxic (and delicious) ingredients. So whether you want to build an edible terrace, blast off into outer space or make a cool wizard wand, *Awsome Edible Kids Crafts* shows you just how fun it can be to combine crafting and cooking.

Importing Into the United States Border Protection U S Customs and 2015-10-12 This edition of *Importing Into the United States* contains material pursuant to the Trade Act of 2002 and the Customs Modernization Act, commonly referred to as the Mod Act. *Importing Into the United States* provides wide-ranging information about the importing process and import requirements. We have made every effort to include essential requirements, but it is not possible for a book this size to cover all import laws and regulations. Also, this publication does not supersede or modify any provision of those laws and regulations. Legislative and administrative changes are always under consideration and can occur at any time. Quota limitations on commodities are also subject to change. Therefore, reliance solely on the information in this book may not meet the "reasonable care" standard required of importers.

Equally Wed Kirsten Palladino 2017-05-30 By and large, most wedding books in the market are still centered around one bride and one groom. And yet, the advent of full marriage equality in the United States has made a new, polished wedding planning book dedicated to guiding LGBTQ couples both timely and essential. *Kirsten Palladino will fill that need* with this definitive book to inspire couples everywhere who are seeking a meaningful, personal ceremony and a momentous beginning to legally married life. *Equally Wed* brings author Palladino's expertise as the founder and editorial director of the world's leading online resource for LGBTQ wedding planning to the page. Palladino walks readers through every step of the notoriously costly and arduous planning process with wisdom and accessibility. From how to incorporate hot trends among LGBTQ couples to advice on how to incorporate children into a ceremony to more serious hurdles like dealing with homophobia among family members, *Equally Wed* has it all. The author importantly includes an accurate picture of wedding budgets for couples from all backgrounds, and shares her invaluable insider tips for making the most of each vendor; she also addresses fashion advice specific for LGBTQ readers, such as suiting up as a nonbinary newlywed or attending fittings as a butch lesbian or a transgender woman. And best of all, she does it with the celebratory, joyful approach that all couples deserve. With a beautiful 2-color package, a total absence of heteronormative terms and assumptions, and a wealth of advice on every wedding-related topic imaginable, *Equally Wed* is set to be the go-to LGBTQ wedding guide just as every couple is finally free to wed.

40 Simple Science Experiments Chris Oxlade 2018 This big book introduces children to the basics of science in a fun, appealing way. Each experiment is accompanied by an introduction to a scientific concept, clear photographic step-by-step instructions, a list of materials needed, and a Q&A explanation.
