Long Walk to Freedom Nelson Mandela 2008-03-11 The book that inspired the major new motion picture Mandela: Long Walk to Freedom. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's antiapartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. LONG WALK TO FREEDOM is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph.

Gold Rush Michael Johnson 2011-09-15 'Elite athletes aren't born. They're made.' Michael Johnson From a living icon of the Olympic Games - as both an athlete and now as a BBC broadcaster - Gold Rush is a compelling analysis of the fascinating combination of psychological and personal qualities, as well as internal and external factors, that go to create an Olympic champion.

Die Young with Me Rob Rufus 2016-09-20 In the tradition of John Green's *The Fault in Our Stars* and *Me and Earl and the Dying Girl*, this incredibly moving and harrowing true story of a teenager diagnosed with cancer is "a resounding affirmation of how music can lift one's spirits beyond gray skies and bad news (Kirkus Reviews)." Punk's not dead in rural West Virginia. In fact, it blares constantly from the basement of Rob and Nat Rufus—identical twin brothers with spiked hair, black leather jackets, and the most kick-ass record collection in Appalachia. To them, school (and pretty much everything else) sucks. But what can you expect when you're the only punks in town? When the brothers start their own band, their lives begin to change: they meet friends, they attract girls, and they finally get invited to join a national tour and get out of their rat box little town. But their plans are cut short when Rob is diagnosed with a rare form of cancer that has already progressed to Stage Four. Not only are his dreams of punk rock stardom completely shredded, there is a very real threat that this is one battle that can't be won. While Rob suffers through nightmarish treatments and debilitating surgery, Nat continues on their band's road to success alone. But as Rob's life diverges from his brother's, he learns to find strength within himself and through his music. *Die Young with Me* is a "raw, honest picture of the weirdness of growing up" (Marky Ramone) and the story of a brave teen's battle with cancer and the many ways music helped him cope through his recovery.

My Art, My Life Diego Rivera 2012-04-26 A richly revealing document offering many telling insights into the mind and heart of a giant of 20th-century art. "Engrossing as a novel." — Chicago Sunday Tribune. 21 halftones.

Experience Martin Amis 2014-09-17 Martin Amis is one of the most gifted and innovative writers of our time. With *Experience*, he discloses a private life every bit as unique and fascinating as his bestselling novels. The son of the great comic novelist Kingsley Amis, Martin Amis explores his relationship with this father and writes about the various crises of Kingsley's life. He also examines the life and legacy of his cousin, Lucy Partington, who was abducted and murdered by one of Britain's most notorious serial killers. *Experience* also deconstructs the changing literary scene, including Amis' portraits of Saul Bellow, Salman Rushdie, Allan Bloom, Philip

Larkin, and Robert Graves, among others. Not since Nabokov's *Invitation of a Beheading* has such an implausible life been recorded by such an inimitable talent. Profound, witty, and ruthlessly honest, *Experience* is a literary event.

The Discomfort Zone Jonathan Franzen 2010-08-24 A New York Times Notable Book of the Year The *Discomfort Zone* is Jonathan Franzen's tale of growing up, squirming in his own über-sensitive skin, from a "small and fundamentally ridiculous person," into an adult with strong inconvenient passions. Whether he's writing about the explosive dynamics of a Christian youth fellowship in the 1970s, the effects of Kafka's fiction on his protracted quest to lose his virginity, or the web of connections between bird watching, his all-consuming marriage, and the problem of global warming, Franzen is always feelingly engaged with the world we live in now. *The Discomfort Zone* is a wise, funny, and gorgeously written self-portrait by one of America's finest writers.

A Ghost in the Throat Doireann Ní Ghríofa 2021-05-27 An Post Irish Book Awards Nonfiction Book of the Year • A Guardian Best Book of 2020 • Shortlisted for the 2021 Rathbones Folio Prize • Longlisted for the 2021 Republic of Consciousness Prize • Shortlisted for the James Tait Black Biography Prize When we first met, I was a child, and she had been dead for centuries. On discovering her murdered husband's body, an eighteenth-century Irish noblewoman drinks handfuls of his blood and composes an extraordinary lament. Eibhlín Dubh Ní Chonaill's poem travels through the centuries, finding its way to a new mother who has narrowly avoided her own fatal tragedy. When she realizes that the literature dedicated to the poem reduces Eibhlín Dubh's life to flimsy sketches, she wants more: the details of the poet's girlhood and old age; her unique rages, joys, sorrows, and desires; the shape of her days and site of her final place of rest. What follows is an adventure in which Doireann Ní Ghríofa sets out to discover Eibhlín Dubh's erased life—and in doing so, discovers her own. Moving fluidly between past and present, quest and elegy, poetry and those who make it, *A Ghost in the Throat* is a shapeshifting book: a record of literary obsession; a narrative about the erasure of a people, of a language, of women; a meditation on motherhood and on translation; and an unforgettable story about finding your voice by freeing another's.

[Dreams from My Father](#) Barack Obama 2007-01-09 #1 NEW YORK TIMES BESTSELLER • ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS In this iconic memoir of his early days, Barack Obama "guides us straight to the intersection of the most serious questions of identity, class, and race" (*The Washington Post Book World*). "Quite extraordinary."—Toni Morrison In this lyrical, unsentimental, and compelling memoir, the son of a black African father and a white American mother searches for a workable meaning to his life as a black American. It begins in New York, where Barack Obama learns that his father—a figure he knows more as a myth than as a man—has been killed in a car accident. This sudden death inspires an emotional odyssey—first to a small town in Kansas, from which he retraces the migration of his mother's family to Hawaii, and then to Kenya, where he meets the African side of his family, confronts the bitter truth of his father's life, and at last reconciles his divided inheritance. Praise for *Dreams from My Father* "Beautifully crafted . . . moving and candid . . . This book belongs on the shelf beside works like James McBride's *The Color of Water* and Gregory Howard Williams's *Life on the Color Line* as a tale of living astride America's racial categories."—Scott Turow "Provocative . . . Persuasively describes the phenomenon of belonging to two different worlds, and thus belonging to neither."—*The New York Times Book Review* "Obama's writing is incisive yet forgiving. This is a book worth savoring."—Alex Kotlowitz, author of *There Are No Children Here* "One of the most powerful books of self-discovery I've ever read, all the more so for its illuminating insights into the problems not only of race, class, and color, but of culture and ethnicity. It is also beautifully written, skillfully layered, and paced like a good novel."—Charlayne Hunter-Gault, author of *In My Place* "Dreams from My Father is an exquisite, sensitive study of this wonderful young author's journey into adulthood, his search for community and his place in it, his quest for an understanding of his roots, and his discovery of the poetry of human life. Perceptive and wise, this book will tell you something about yourself whether you are black or white."—Marian Wright Edelman

Boots and Saddles Elizabeth Bacon Custer 1999-05 *Boots and Saddles* is in reality a bright and sunny sketch of the life of Mrs. Custer's late husband, General George A. Custer, who fell at the battle of Little Big Horn. After the war, General Custer was sent to the Indian frontier. His wife was of the party and she is able to give in minute detail the story of her husband's varied career since she was almost always near the scene of his adventures. She touches on themes little canvassed by the civilian, and makes a volume equally redolent of a loving devotion to an honored husband and attractive as a picture of necessary duty by the soldier. Book jacket.

Running with the Buffaloes Chris Lear 2011-04-01 Top five Best Books About Running, Runner's World Magazine Top three Best Books About Running, readers of Runner's World Magazine (December 2009) A phenomenal portrait of courage and desire that will do for college cross-country what John Feinstein's *A Season on the Brink* did for college basketball.

Brave Enough Jessie Diggins 2020-03-10 Travel with Olympic gold medalist Jessie Diggins on her compelling journey from America's heartland to international sports history, navigating challenges and triumphs with rugged grit and a splash of glitter Pyeongchang, February 21, 2018. In the nerve-racking final seconds of the women's team sprint freestyle race, Jessie Diggins dug deep. Blowing past two of the best sprinters in the world, she stretched her ski boot across the finish line and lunged straight into Olympic immortality: the first ever cross-country skiing gold medal for the United States at the Winter Games. The 26-year-old Diggins, a four-time World Championship medalist, was literally a world away from the small town of Afton, Minnesota, where she first strapped on skis. Yet, for all her history-making achievements, she had never strayed far from the scrappy 12-year-old who had insisted on portaging her own canoe through the wilderness, yelling happily under the unwieldy weight on her shoulders: "Look! I'm doing it!" In *Brave Enough*, Jessie Diggins reveals the true story of her journey from the American Midwest into sports history. With candid charm and characteristic grit, she connects the dots from her free-spirited upbringing in the woods of Minnesota to racing in the bright spotlights of the Olympics. Going far beyond stories of races and ribbons, she describes the challenges and frustrations of becoming a serious athlete; learning how to push through and beyond physical and psychological limits; and the intense pressure of competing at the highest levels. She openly shares her harrowing struggle with bulimia, recounting both the adversity and how she healed from it in order to bring hope and understanding to others experiencing eating disorders. Between thrilling accounts of moments of triumph, Diggins shows the determination it takes to get there—the struggles and disappointments, the fun and the hard work, and the importance of listening to that small, fierce voice: I can do it. I am brave enough.

The Autobiography of an Ex-Colored Man James Weldon Johnson 2021-01-26 A gifted musician's decision to navigate society as a white man causes an internal debate about anti-blackness and the explicit nature of intent versus impact. James Weldon Johnson presents a distinct conflict driven by a person's desires and overwhelming fear. *The Autobiography of an Ex-Colored Man* follows the story of an unnamed narrator and his unique experience as a fair-skinned Black person. As a child, he is initially unaware of his race, but his mother soon clarifies their family's ancestry. The young man's ability to pass for white allows him to negate the harsh and discriminatory treatment most Black people face. This leads to a series of events that significantly shape the way he views his place in society. James Weldon Johnson delivers a captivating tale of identity politics in the U.S. and abroad. The main character is living a life of omission that provides public gain at a personal cost. This story maintains its relevance as a critical examination of race in society. With an eye-catching new cover, and professionally typeset manuscript, this edition of *The Autobiography of an Ex-Colored Man* is both modern and readable.

Notes on an Execution Danya Kukafka 2022-01-25 NATIONAL BESTSELLER "Defiantly populated with living women . . . beautifully drawn, dense with detail and specificity . . . Notes on an Execution is nuanced, ambitious and compelling." —Katie Kitamura, *NEW YORK TIMES BOOK REVIEW* (Editors' Choice) "A searing portrait of the complicated women caught in the orbit of a serial killer. . . . Compassionate and thought-provoking." —BRIT BENNETT, #1 New York Times bestselling author of *The Vanishing Half* Recommended by *New York Times Book Review* • *Los Angeles Times* • *Washington Post* • *Entertainment Weekly* • *Esquire* • *Good Housekeeping* • *USA Today* • *Buzzfeed* • *Goodreads* • *Real Simple* • *Marie Claire* • *Rolling Stone* • *Business Insider* • *Bustle* • *PopSugar* • *The Millions* • *The Guardian* • and many more! In the tradition of *Long Bright River* and *The Mars Room*, a gripping and atmospheric work of literary suspense that deconstructs the story of a serial killer on death row, told primarily through the eyes of the women in his life—from the bestselling author of *Girl in Snow*. Ansel Packer is scheduled to die in twelve hours. He knows what he's done, and now awaits execution, the same chilling fate he forced on those girls, years ago. But Ansel doesn't want to die; he wants to be celebrated, understood. Through a kaleidoscope of women—a mother, a sister, a homicide detective—we learn the story of Ansel's life. We meet his mother, Lavender, a seventeen-year-old girl pushed to desperation; Hazel, twin sister to Ansel's wife, inseparable since birth, forced to watch helplessly as her sister's relationship threatens to devour them all; and finally, Saffy, the detective hot on his trail, who has devoted herself to bringing bad men to justice but struggles to see her own life clearly. As the clock ticks down, these three women sift through the choices that culminate in tragedy, exploring the rippling fissures that such destruction inevitably leaves in its wake. Blending breathtaking suspense with astonishing empathy,

Notes on an Execution presents a chilling portrait of womanhood as it simultaneously unravels the familiar narrative of the American serial killer, interrogating our system of justice and our cultural obsession with crime stories, asking readers to consider the false promise of looking for meaning in the psyches of violent men. "Poetic and mesmerizing . . . Powerful, important, intensely human, and filled with a unique examination of tragedy, one where the reader is left with a curious emotion: hope." —USA TODAY "A profound and staggering experience of empathy that challenges us to confront what it means to be human in our darkest moments. . . . I relished every page of this brilliant and gripping masterpiece."—ASHLEY AUDRAIN, New York Times bestselling author of *The Push*

Jessica Ennis: Unbelievable - From My Childhood Dreams To Winning Olympic Gold Jessica Ennis 2012-11-08 On 4 August 2012 Jessica Ennis kicked off what some described as the greatest night in British sporting history. For her it was the end of a long, winding, and sometimes harrowing road. Nobody was under more pressure at the London Olympics than 'the face of the Games'. Yet Jessica delivered the heptathlon gold medal, and the huge outpouring of relief she showed afterwards hinted at the roller-coaster journey she had been on. Behind the smiles and politeness, Jessica has endured much. Bullied at school for being small, she proved to critics and rivals alike that size really didn't matter. Hers is an inspiring tale of following your dreams no matter what life throws at you. In 2008 Jessica thought her career might be over when she was injured on the eve of the Olympic Games in Beijing. But she overcame this setback to rebuild her career and technique, becoming the world and European champion in successive years. Her biggest test was yet to come, though, when her rivals overhauled her in the build-up to London. *Unbelievable* is a refreshingly candid account of her rise to fame in a highly charged world in which body image issues and drug abuses lurk. From the unique pressures facing her, to behind-the-scenes glimpses into the greatest show on earth, and a revealing account of her love-hate relationship with her long-term coach, Jessica reveals the truth behind the smiles for the first time. *Unbelievable* includes exclusive behind-the-scenes photos. This is the story of how the girl next door became London's poster girl, and how an ordinary woman used an extraordinary talent to claim the title of the world's greatest all-round female sports star.

My Friend Ella Angela Garry 2016-04-28 Ella is a naughty, fun-loving little girl - a little misunderstood by all, apart from her best friend. "My friend Ella," about loving and accepting ourselves for who we really are, is Angela Garry's first storybook for small children.

Air Traffic Gregory Pardlo 2018-04-10 From the beloved Pulitzer Prize-winning poet: an extraordinary memoir and blistering meditation on fatherhood, race, addiction, and ambition. Gregory Pardlo's father was a brilliant and charismatic man--a leading labor organizer who presided over a happy suburban family of four. But when he loses his job following the famous air traffic controllers' strike of 1981, he succumbs to addiction and exhausts the family's money on more and more ostentatious whims. In the face of this troubling model and disillusioned presence in the household, young Gregory rebels. Struggling to distinguish himself on his own terms, he hustles off to Marine Corps boot camp. He moves across the world, returning to the United States only to take a job as a manager-cum-barfly at his family's jazz club. *Air Traffic* follows Gregory as he builds a life that honors his history without allowing it to define his future. Slowly, he embraces the challenges of being a poet, a son, and a father as he enters recovery for alcoholism and tends to his family. In this memoir, written in lyrical and sparkling prose, Gregory tries to free himself from the overwhelming expectations of race and class, and from the tempting yet ruinous legacy of American masculinity. *Air Traffic* is a richly realized, deeply felt ode to one man's remarkable father, to fatherhood, and to the frustrating yet redemptive ties of family. It is also a scrupulous, searing examination of how manhood can be fashioned in our cultural landscape.

The Dirtiest Race in History Richard Moore 2013-09-26 The men's 100m final at the 1988 Olympics has been described as the dirtiest race ever - but also the greatest. Aside from Johnson's blistering time, the race is infamous for its athletes' positive drug tests. This is the story of that race, the rivalry between Johnson and Lewis, and the repercussions still felt almost a quarter of a century on.

The Years Annie Ernaux 2017-11-21 *Shortlisted for the 2019 Man Booker International Prize* Co-winner of the 2018 French-American Foundation Translation Prize in Nonfiction Winner of the 2017 Marguerite Yourcenar Prize for her entire body of work Winner of the 2016 Strega European Prize Considered by many to be the iconic French memoirist's defining work, *The Years* was a breakout bestseller when published in France in 2008, and is considered in French Studies departments in the US as a contemporary classic. *The Years* is a personal narrative of the period 1941 to 2006 told through the lens of memory, impressions past and present—even projections into the future—photos, books, songs, radio, television and decades of advertising, headlines, contrasted with intimate conflicts and writing notes from six decades of diaries. Local dialect, words of the times, slogans, brands and names for the ever-proliferating objects, are given voice here. The voice we

recognize as the author's continually dissolves and re-emerges. Ernaux makes the passage of time palpable. Time itself, inexorable, narrates its own course, consigning all other narrators to anonymity. A new kind of autobiography emerges, at once subjective and impersonal, private and collective. On its 2008 publication in France, *The Years* came as a surprise. Though Ernaux had for years been hailed as a beloved, bestselling and award-winning author, *The Years* was in many ways a departure: both an intimate memoir "written" by entire generations, and a story of generations telling a very personal story. Like the generation before hers, the narrator eschews the "I" for the "we" (or "they", or "one") as if collective life were inextricably intertwined with a private life that in her parents' generation ceased to exist. She writes of her parents' generation (and could be writing of her own book): "From a common fund of hunger and fear, everything was told in the "we" and impersonal pronouns."

Double Bind: Women on Ambition Robin Romm 2017-04-11 "Bold, absorbing, insightful, and wise. . . . Read it: the truth is inside."—Cheryl Strayed, author of *Wild* and *Tiny Beautiful Things* "A work of courage and ferocious honesty" (Diana Abu-Jaber), *Double Bind* could not come at a more urgent time. Even as major figures from Gloria Steinem to Beyoncé embrace the word "feminism," the word "ambition" remains loaded with ambivalence. Many women see it as synonymous with strident or aggressive, yet most feel compelled to strive and achieve—the seeming contradiction leaving them in a perpetual double bind. Ayana Mathis, Molly Ringwald, Roxane Gay, and a constellation of "nimble thinkers . . . dismantle this maddening paradox" (*O, The Oprah Magazine*) with candor, wit, and rage. Women who have made landmark achievements in fields as diverse as law, dog sledding, and butchery weigh in, breaking the last feminist taboo once and for all. "Both intimate and scalable" (*Atlantic.com*), *Double Bind* finally seizes "ambition" from the roster of dirty words.

Identical Strangers Elyse Schein 2007-10-02 As seen in the hit documentary *Three Identical Strangers* • "[A] poignant memoir of twin sisters who were split up as infants, became part of a secret scientific study, then found each other as adults."—*Reader's Digest* (Editors' Choice) WINNER OF A BOOKS FOR A BETTER LIFE AWARD Elyse Schein had always known she was adopted, but it wasn't until her mid-thirties while living in Paris that she searched for her biological mother. What she found instead was shocking: She had an identical twin sister. What's more, after being separated as infants, she and her sister had been, for a time, part of a secret study on separated twins. Paula Bernstein, a married writer and mother living in New York, also knew she was adopted, but had no inclination to find her birth mother. When she answered a call from her adoption agency one spring afternoon, Paula's life suddenly divided into two starkly different periods: the time before and the time after she learned the truth. As they reunite, taking their tentative first steps from strangers to sisters, Paula and Elyse are left with haunting questions surrounding their origins and their separation. And when they investigate their birth mother's past, the sisters move closer toward solving the puzzle of their lives. Praise for *Identical Strangers* "Remarkable . . . powerful . . . [an] extraordinary experience . . . The reader is left to marvel at the reworking of individual identities required by one discovery and then another."—*Boston Sunday Globe* "Absorbing."—*Wired* "[A] fascinating memoir . . . Weaving studies about twin science into their personal reflections . . . Schein and Bernstein provide an intelligent exploration of how identity intersects with bloodlines. A must-read for anyone interested in what it means to be a family."—*Bust* "*Identical Strangers* has all the heart-stopping drama you'd expect. But it has so much more—the authors' emotional honesty and clear-eyed insights turn this unique story into a universal one. As you accompany the twins on their search for the truth of their birth, you witness another kind of birth—the germination and flowering of sisterly love."—Deborah Tannen, #1 *New York Times* bestselling author of *You Just Don't Understand* "A transfixing memoir."—*Publishers Weekly*

Dixie Lullaby Mark Kemp 2007-11-01 Rock & roll has transformed American culture more profoundly than any other art form. During the 1960s, it defined a generation of young people as political and social idealists, helped end the Vietnam War, and ushered in the sexual revolution. In *Dixie Lullaby*, veteran music journalist Mark Kemp shows that rock also renewed the identity of a generation of white southerners who came of age in

the decade after segregation -- the heyday of disco, Jimmy Carter, and Saturday Night Live. Growing up in North Carolina in the 1970s, Kemp experienced pain, confusion, and shame as a result of the South's residual civil rights battles. His elementary school was integrated in 1968, the year Kemp reached third grade; his aunts, uncles, and grandparents held outdated racist views that were typical of the time; his parents, however, believed blacks should be extended the same treatment as whites, but also counseled their children to respect their elder relatives. "I loved the land that surrounded me but hated the history that haunted that land," Kemp writes. When rock music, specifically southern rock, entered his life, he began to see a new way to identify himself, beyond the legacy of racism and stereotypes of southern small-mindedness that had marked his early childhood. Well into adulthood Kemp struggled with the self-loathing familiar to many white southerners. But the seeds of forgiveness were planted in adolescence when he first heard Duane Allman and Ronnie Van Zant pour their feelings into their songs. In the tradition of music historians such as Nick Tosches and Peter Guralnick, Kemp masterfully blends into his narrative the stories of southern rock bands --from heavy hitters such as the Allman Brothers Band, Lynyrd Skynyrd, and R.E.M. to influential but less-known groups such as Drive-By Truckers -- as well as the personal experiences of their fans. In dozens of interviews, he charts the course of southern rock & roll. Before civil rights, the popular music of the South was a small, often racially integrated world, but after Martin Luther King Jr.'s assassination, black musicians struck out on their own. Their white counterparts were left to their own devices, and thus southern rock was born: a mix of popular southern styles that arose when predominantly white rockers combined rural folk, country, and rockabilly with the blues and jazz of African-American culture. This down-home, flannel-wearing, ass-kicking brand of rock took the nation by storm in the 1970s. The music gave southern kids who emulated these musicians a newfound voice. Kemp and his peers now had something they could be proud of: southern rock united them and gave them a new identity that went beyond outside perceptions of the South as one big racist backwater. Kemp offers a lyrical, thought-provoking, searingly intimate, and utterly original journey through the South of the 1960s, '70s, '80s, and '90s, viewed through the prism of rock & roll. With brilliant insight, he reveals the curative and unifying impact of rock on southerners who came of age under its influence in the chaotic years following desegregation. Dixie Lullaby fairly resonates with redemption.

The Girls Lori Lansens 2009-02-24 In Lori Lansens' astonishing second novel, readers come to know and love two of the most remarkable characters in Canadian fiction. Rose and Ruby are twenty-nine-year-old conjoined twins. Born during a tornado to a shocked teenaged mother in the hospital at Leaford, Ontario, they are raised by the nurse who helped usher them into the world. Aunt Lovey and her husband, Uncle Stash, are middle-aged and with no children of their own. They relocate from the town to the drafty old farmhouse in the country that has been in Lovey's family for generations. Joined to Ruby at the head, Rose's face is pulled to one side, but she has full use of her limbs. Ruby has a beautiful face, but her body is tiny and she is unable to walk. She rests her legs on her sister's hip, rather like a small child or a doll. In spite of their situation, the girls lead surprisingly separate lives. Rose is bookish and a baseball fan. Ruby is fond of trash TV and has a passion for local history. Rose has always wanted to be a writer, and as the novel opens, she begins to pen her autobiography. Here is how she begins: I have never looked into my sister's eyes. I have never bathed alone. I have never stood in the grass at night and raised my arms to a beguiling moon. I've never used an airplane bathroom. Or worn a hat. Or been kissed like that. I've never driven a car. Or slept through the night. Never a private talk. Or solo walk. I've never climbed a tree. Or faded into a crowd. So many things I've never done, but oh, how I've been loved. And, if such things were to be, I'd live a thousand lives as me, to be loved so exponentially. Ruby, with her marvellous characteristic logic, points out that Rose's autobiography will have to be Ruby's as well -- and how can she trust Rose to represent her story accurately? Soon, Ruby decides to chime in with chapters of her own. The novel begins with Rose, but eventually moves to Ruby's point of view and then switches back and forth. Because the girls face in slightly different directions, neither can see what the other is writing, and they don't tell each other either. The reader is treated to sometimes overlapping stories told in two wonderfully distinct styles. Rose is given to introspection and secrecy. Ruby's style is "tell-all" -- frank and decidedly sweet. We learn of their early years as the town "freaks" and of Lovey's and Stash's determination to give them as normal an upbringing as possible. But when we meet them, both Lovey and Stash are dead, the girls have moved back into town, and they've received some ominous news. They are on the verge of becoming the oldest surviving craniopagus (joined at the head) twins in history, but the question of whether they'll live to celebrate their thirtieth birthday is suddenly impossible to answer. In *Rose and Ruby*, Lori Lansens has created two precious characters, each distinct and loveable in their very different ways, and has given them a world in Leaford that rings absolutely true. The girls are unforgettable. *The Girls* is nothing short of a tour de force.

Monster Mountain Chase! Mo Farah 2017-07-13 From Olympic gold medal winner Mo Farah and bestselling author Kes Gray, comes a fun fiction series which will get kids reading, and running too! After returning home from a long cross-country run, it's time for Mo and his friends to decide where to go on their next running adventure. Sandwiches at the ready, the friends head somewhere beautiful, with glistening snow and sparkling lakes ... The Rocky Mountains! But crossing states is tiring work, and with lots of new creatures (and monsters!) to meet along the way, will Mo and friends ever get time for a sandwich break? Here comes Bigfoot ... RUN!

Seven Pillars of Wisdom Thomas Edward Lawrence 1997 Written between 1919 and 1926, this text tells of the campaign against the Turks in the Middle East, encompassing gross acts of cruelty and revenge, ending in a welter of stink and corpses in a Damascus hospital.

Twin Ambitions - My Autobiography Mo Farah 2013-10-10 Hodder & Stoughton admire Sir Mo's bravery in revealing his experience of being trafficked as a child. His memoir TWIN AMBITIONS, published in 2013, is based on the story he felt able to tell at the time, which we understood to be the true version of events. It is now clear that Sir Mo did not wish to share some of his difficult early experiences and we respect the decisions he made both then and now. 4 August, 2012. Super Saturday. On the most electric night in the history of British sport, Mo Farah braved the pain and punishment to seize Olympic gold in the 10,000m - and in the process went from being a talented athlete to a national treasure. Seven days later, Mo seized his second gold at the 5000m to go where no British distance runner has gone before. Records have tumbled before him: European track records at 1500m, 5000m indoors, and 10,000m; British track records at 5000m, 3000m indoors and 10k on the road have all fallen to Mohamed 'Mo' Farah: the boy from Somalia who came to Britain at the age of eight, leaving behind his twin brother, and with just a few words of English, and a natural talent for running. His secondary school PE teacher Alan Watkinson spotted his potential and began easing this human gazelle towards the racetrack. In 2001 Mo showed his promise by winning the 5000m at the European Junior Championships. Soon he was smashing a string of British and European records. He began living with a group of elite Kenyan runners, following their strict regime of run, sleep, eat and rest. Mo was determined to leave no stone unturned in his bid for distance-running glory. After a disappointing Olympics in Beijing Mo took the bold decision to relocate to Portland, Oregon to work under legendary coach Alberto Salazar. The results were emphatic as Mo took silver at the 10,000m and then raced to gold in the 5000m at the 2011 World Championships in Daegu. Even better would soon follow at London 2012. TWIN AMBITIONS is much more than an autobiography by a great Olympic champion. It's a moving human story of a man who grew up in difficult circumstances, separated from his family at an early age, who struggled to overcome seemingly insurmountable obstacles and realise his dream.

The Class Erich Segal 2014-11-12 From world-renowned author Erich Segal comes a powerful and moving saga of five extraordinary members of the Harvard class of 1958 and the women with whom their lives are intertwined. Five lives, five love stories: Danny Rossi, the musical prodigy, risks it all for Harvard, even a break with his domineering father. Yet his real problems are too much fame too soon—and too many women. Ted Lambros spends his four years as a commuter, an outsider. He is obsessed by his desire to climb to the top of the Harvard academic ladder, heedless of what it will cost him in personal terms. Jason Gilbert, the Golden Boy—handsome, charismatic, a brilliant athlete—learns at Harvard that he cannot ignore his Jewish background. Only in tragedy will he find his true identity. George Keller, a refugee from Communist Hungary, comes to Harvard with the barest knowledge of English. But with ruthless determination, he masters not only the language but the power structure of his new country. Andrew Eliot is haunted by three centuries of Harvard ancestors who cast giant shadows on his confidence. It is not until the sad and startling events of the reunion that he learns his value as a man. Their explosive story begins in a time of innocence and spans a turbulent quarter century, culminating in their dramatic twenty-five year reunion at which they confront their classmates—and the balance sheet of their own lives. Always at the center; amid the passion, laughter, and glory, stands Harvard—the symbol of who they are and who they will be. They were a generation who made the rules—then broke them—whose glittering successes, heartfelt tragedies, and unbridled ambitions would stun the world. Praise for *The Class* “Erich Segal’s best.”—Pittsburgh Press “First class entertainment.”—Cosmopolitan “An absorbing page-turner.”—Publishers Weekly “A panoramic saga.”—Philadelphia Inquirer

My Life (Revised and Updated) Isadora Duncan 2013-05-27 A remarkable account of a wildly artistic life, finally restored to its unexpurgated form, with a revealing new introduction by Joan Acocella. The visionary choreographer and dancer Isadora Duncan (1877–1927) not only revolutionized dance in the twentieth century but blazed a path for other visionaries who would follow in her wake. While many biographies have explored

Duncan's crucial role as one of the founders of modern dance, no other book has proved as critical—as both historical record and vivid evocation of a riveting life—as her autobiography. From her early enchantment with classical music and poetry to her great successes abroad, to her sensational love affairs and headline-grabbing personal tragedies, Duncan's story is a dramatic one. *My Life* still stands alone as “a great document, revealing the truth of her life as she understood it, without reticence or apology or compromise” (New York Herald Tribune). Now, in this fully restored edition, with its risqué recollections and fervent idealism, *My Life* can be appreciated by a new generation.

ALEX FERGUSON *My Autobiography* Alex Ferguson 2013-10-24 Sir Alex Ferguson's compelling story is always honest and revealing he reflects on his managerial career that embraced unprecedented European success for Aberdeen and 26 triumphant seasons with Manchester United. Sir Alex Ferguson's best-selling autobiography has now been updated to offer reflections on events at Manchester United since his retirement as well as his teachings at the Harvard Business School, a night at the Oscars and a boat tour round the Hebrides, where he passed unrecognised. The extra material adds fresh insights and detail on his final years as United's manager. Both the psychology of management and the detail of football strategy at the top level can be complex matters but no-one has explained them in a more interesting and accessible way for the general reader than Sir Alex does here. *MY AUTOBIOGRAPHY* is revealing, endlessly entertaining and above all inspirational.

Twin Tracks Roger Bannister 2014-04-17 It was a blustery late spring day in 1954 and a young Oxford medical student flung himself over the line in a mile race. There was an agonising pause, and then the timekeeper announced the record: three minutes, fifty-nine point four seconds. But no one heard anything after that first word - 'three'. One of the most iconic barriers of sport had been broken, and Roger Bannister had become the first man to run a mile in under four minutes. To this day, more men have conquered Mount Everest than have achieved what the slender, unassuming student managed that afternoon. Sixty years on and the letters still arrive on Roger Bannister's doormat, letters testifying to the enduring appeal of the four-minute mile and the example it set for the generation of budding athletes who were inspired to attempt the impossible. In this frank memoir, Sir Roger tells the full story of the talent and dedication that made him not just one of the most celebrated athletes of the last century but also a distinguished doctor, neurologist and one of the nation's best-loved public figures. With characteristically trenchant views on drugs in sport, the nature of modern athletics and record breaking, the extraordinary explosion in running as a leisure activity, and the Olympic legacy, this rare and brilliant autobiography gives a fascinating insight into the life of a man who has lived life to the fullest.

Running for My Life Lopez Lomong 2012 Offers the true story of a Sudanese boy who, through unyielding faith, overcame a wartorn nation to become an American citizen and an Olympic contender.

26 Marathons Meb Keflezighi 2020-10-27 "Four-time Olympic marathoner Meb Keflezighi shares his lessons on life, family, faith, and running through a reflection on each of the 26 marathons he's run in his storied career. When four-time Olympian Meb Keflezighi ran his final marathon in New York City on November 5, 2017, it marked the end of an extraordinary distance-running career. Meb will be remembered as the only person in history to win both the Boston and New York City marathons as well as an Olympic marathon silver medal.

Meb's last marathon was also his 26th, and each of those 26 marathons has come with its own unique challenges, rewards, and outcomes for him. Through focused narrative, Meb describes key moments and triumphs that made each marathon a unique learning experience and shows runners--whether recreational or professional--how to apply the lessons he's learned to their own running and lives. Chronologically organized by marathon, 26 Marathons offers wisdom Meb has gleaned about life, family, identity, and faith in addition to tips about running, training, and nutrition. Equal parts inspiration and practical advice, this book will provide readers an inside look at the life and success of one of the greatest runners living today"--

Fierce Attachments Vivian Gornick 2005-09-14 In this deeply etched and haunting memoir, Vivian Gornick tells the story of her lifelong battle with her mother for independence. There have been numerous books about mother and daughter, but none has dealt with this closest of filial relations as directly or as ruthlessly. Gornick's groundbreaking book confronts what Edna O'Brien has called "the principal crux of female despair": the unacknowledged Oedipal nature of the mother-daughter bond. Born and raised in the Bronx, the daughter of "urban peasants," Gornick grows up in a household dominated by her intelligent but uneducated mother's romantic depression over the early death of her husband. Next door lives Nettie, an attractive widow whose calculating sensuality appeals greatly to Vivian. These women with their opposing models of femininity continue, well into adulthood, to affect Gornick's struggle to find herself in love and in work. As Gornick walks with her aged mother through the streets of New York, arguing and remembering the past, each wins the reader's admiration: the caustic and clear-thinking daughter, for her courage and tenacity in really talking to her mother about the most basic issues of their lives, and the still powerful and intuitively-wise old woman, who again and again proves herself her daughter's mother. Unsparing, deeply courageous, *Fierce Attachments* is one of the most remarkable documents of family feeling that has been written, a classic that helped start the memoir boom and remains one of the most moving examples of the genre.
